Calving Ease Legend

Calving Ease is often related to birth weight of a bull. This is partly true but there are other factors that influence calving ease. The dam and her management are at least 50% of calving ease. Also, the consistency of the birth weights of the sire and dam should be considered. Nutrition, gestation and environment all influence birth weight. We have rated each bull in the sale based on the information we have.

*** Should produce minimal problems when bred to moderate size first calf heifers

** Recommend for second calvers or smaller framed cows 1100 lbs to 1300 lbs

* Recommend for mature cows 1400 lbs plus

Delivery Options

A. If you wish you may take your cattle home sale day or within a week and receive a $100 discount per purchase.

B. Bulls and Females will be delivered free of charge up to 250 miles, further at cost. Delivery usually commences 2–3 weeks after sale.

C. Bulls may be kept at Ter-Ron free of charge until May 1, after that, $3.00 per day will be charged and animals must be picked up by the purchaser.

***All bulls staying at the farm must be insured by the purchaser - see page 4 for insurance.
Sight Unseen Purchase Guarantee

If you are unable to attend our sale, we have a “Sight Unseen Purchase Plan”. Under this program you will tell us about your needs and price and we will then have a buyer of your choice purchase the bull on your behalf. Upon delivery, if you are not satisfied, we still own the bull.
Ter-Ron Farms is world-wide respected for their high quality purebred program that is backed by one of the hardest working families in the industry. Their genetics have positively influenced the beef industry as they have produced many of the influential sires that have had lasting impacts in Canada and abroad. This family program is backed by the utmost amount of integrity that has put them at the very top of the industry to source elite cattle that will add profitability to your program.

This year’s bulls are extremely deep and powerful throughout and we are confident you’ll be impressed when you view them. Their phenotype is what the industry is striving to produce and most importantly, they are backed by an impressive cow herd that is strong uddered, good footed and built for longevity and production. Whether it is a calving ease, performance or a mix of both that you are seeking; this set has options for the most critical of cattlemen.

The Red Angus sires on offer are the heart of Ter-Ron Farms and are a set that need to be seen to truly appreciate to the fullest. The options run deep for commercial and purebred cattlemen alike and there is many special ones in the offering that we feel can escalate the quality of the breed, the programs that incorporate them as they check off all the boxes of upcoming influential sires that will leave a positive, lasting impression. A select group of black bulls will be on offer with that same quality genetics backing them as the reds and they are high in quality. Terry’s Simmental program has quickly advanced into a strong herd of highly productive, performance oriented bulls that are hard to fault. The Adams’ have dug extremely deep into their replacement heifer pen to offer this group of open females. This could be their best set of females on offer and they are sure to advance any program with their strong phenotypes and depth of quality pedigrees.

The Adams’ are salt of the earth people that rise to the top of genuine individuals that we have the pleasure to work with every year. You can invest into this program with confidence that they have the very best genetics in the business to source and they back them 100% to ensure that you are a happy customer. We encourage you to visit with them on the offering and attend the sale but if you can’t make it and need any assistance, feel free to contact any of our staff and we will represent your needs in a professional and confidential manner. We look forward to visiting with you in Forestburg to take in great cattle backed by first class hospitality.

On behalf of everyone here at Ter-Ron, we would like to invite you to join us Thursday, March 21, for our 14th annual Bull and Select Female Sale.

You will notice that we are on our own this year and would like to thank Bill & Tracy Dietrich and their family for being such good sale partners in our previous sales. We wish them the best of luck in their new venture.

We would like to sincerely thank our loyal customers, friends and neighbours for their continued support and trust in our program. Your interest is something we are very grateful for and we do not take it for granted. We work tirelessly to bring you a product that is suitable for the commercial cattleman and seed stock producer. Our focus has remained the same over the past years, to continually improve our product and genetics and to produce sound, easy fleshing, functional cattle that will have predictability and a positive influence on your breeding program.

We have a strong offering of bulls and heifers again this year. We are very proud of the consistency throughout the sale offering and we are confident they will meet your approval. The bulls will have a complete semen evaluation and the females are palpated before the sale. You can buy with confidence as we stand behind these cattle 100%.

We invite you to stop in anytime between now and March 21st to look over the bulls and heifers, or give Terry or Rob a call anytime to talk about the offering. If you cannot make the sale for some reason, we once again will be working with the Bohrson Marketing crew. They are familiar with the cattle, so we encourage you to call them if you would like. They are very professional so you can feel confident in their opinion. We also have Mark Shologan of DLMS once again if you prefer to bid online. Feel free to call Mark prior to the sale as well.

Thanks again to all that have supported our program, we really appreciate all of you!! So plan on joining us on Thursday, March 21, 2019, here at the farm at Forestburg for a hot beef lunch and refreshments before the sale. Also plan to stay for hospitality after the sale with visiting, refreshments, and a post sale lunch.

Sincerely,
Terry & Sharon Adams

• High selling bull in our 2015 sale to Goad Family Farm, Corona Creek and David Mohr
• Bazinga is wide made, big topped, huge barreled and consistently sires early gestation cattle, a trait that is passed down by his sire, Park Place, and grand sire, Tiger
• The bulls sired by Bazinga are “cookie cutter” similar, their consistency is amazing
• Bazinga is deceased, and semen is limited, so these genetics are hard to come by
• Dam is also the mother to the Continental bull, who was the high selling bull in 2017 to Circle G at Lacombe. The Continentals are some of the features in Garth Cutler’s sale this year.

**Terms & Conditions**

**Bidding:** Each animal will be sold to the highest bidder. Bidding disputes: The auctioneer will settle any disputes as to bids, and his decision on such matters shall be final.

**Terms:** The terms of the sale are cash or cheque. The right of property shall not pass until after settlement is made. All settlements will be made with the clerks of the sale immediately following the conclusion of the sale and before any cattle will be released from the sale facility. Each animal becomes the risk of the purchaser as soon as sold.

**Guarantee:** We guarantee you a sound breeding bull, if he fails to be a satisfactory breeder, we will replace him with a bull of equal value or credit towards the purchase of another bull. No refunds. Bulls are not guaranteed to freeze semen, if you have any problems with your purchase, contact us immediately.

**Insurance:** Will be available sale day. All bulls fed for the month of April are at the purchasers risk and must be insured.

**Liability:** All persons who attend the sale do so at their own risk. Neither owners, clerks, or anyone connected with the sale assumes any responsibility, legal or otherwise for damage of any kind.

**Announcements:** Changes of information contained in this catalog will be corrected by announcements from the block at sale time and shall take precedence over any printed matter.

**Semen:** Ter-Ron Farms reserves the right to collect semen on any bull sold through this sale for in herd use only. This semen will be collected at the buyers convenience and seller’s expense.

**Delivery:** Delivery will commence in April. Please leave delivery instructions at time of settlement.

**Certificate of Registry:** A certificate of registry and transfer will be furnished for each animal after full payment has been made.

**Cattle Inspection:** All cattle carry permanent ID tags corresponding to sale Lot numbers. All shall be available for inspection prior to sale.

**Females:** All females are guaranteed breeders. The standard CAA guarantee will apply.
