Salt Water Classic Sale :: Terms & Conditions

Terms

Cash or satisfactory cheque. Payment shall be made to the clerk immediately following the sale. Release of cattle will be given only when satisfactory settlement has been made by the buyer.

Conditions of Sale

Each lot will be sold to the highest bidder. In the event of any dispute, the auctioneer's decision shall be final. Announcements from the auctioneer's stand on sale day will supersede any information in the catalogue. Sale is being held under the terms of the Canadian Simmental Association. No consignments may be removed from the premises until full payment is made to the Maritime Simmental Association. Consignors will be paid by the Maritime Simmental Association as soon as possible following the sale. Arrangements for the delivery of animals must be made between buyer and consignor immediately following the sale.

Trucking

The Maritime Simmental Association has a secured guaranteed shipping price of \$250 to Ontario and will look after making arrangements and feeding until the truck leaves.

Liability

All persons who attend this sale do so at their own risk, and owners, auctioneer, and management assume no liability for accidents that may occur. The management of the sale merely acts as an agent between the buyer and seller, and therefore is not responsible for any failure on the side of either party to live up to their obligations.

Posh was certainly destined for our replacement pen. We purchased her dam Classy 44C from Windy Knoll Farms. After seeing Classy and her dam Xia together in 2015 we knew this was the cow family we wanted to build our Simmental herd around. Posh is an extremely deep bodied, massive heifer in moderate frame. She's carrying an early service to Cobra. He along with his offspring have made a large impact on the Simmental breed; especially following the Cobra Event last summer in Olds, Alberta. His semen is currently not on the market, which makes Posh that much more special.

Bred to NCB Cobra 47Y on April 8th.
