Complete Herd Dispersal

1:00 PM ~ Saturday, February 1, 2020
Westlock, Alberta

We would like to welcome each and every one of you to our full herd dispersal sale. These animals have the depth and quality that producers strive for in their herd. All of our animals have been DNA tested for accurate prodigy. The bulls have been semen tested and will provide a sound herd sire for any producer. We are pleased to offer 37 straws of semen from Alcatraz as well as 12 heifers that have been AI'd to this outstanding bull. We would like to invite you to stop by our farm located at Crooked Creek, AB., to have a look at this outstanding herd anytime between now and January 27, 2020. Thanks again to all who have supported our program! We hope to see you all Feb. 1, 2020 in Westlock, AB.

David & Jackie Swain from JD Pastures Inc have assembled a highly productive cowherd that has been sourced from many of the leading programs in Canada. This program was on the rise and is in the prime of their lives which gives you an outstanding opportunity. We can emphasize that foot, udder and overall production quality are put at the highest selection level and you can invest in these females and bulls with confidence.

The Angus herd has a large nucleus of Ole cows who are well-known for their easy doing ability in a moderate package that are highly maternal. Wise additions of top females from Hamilton and Bar-E-L only strengthen this cowherd. The yearling heifer matings to the \$200,000 Alcatraz will create great excitement for the successful purchasers and allow you to access exclusive genetics that only a few breeders have access to.

The outstanding Angus program should not be overlooked by a neat opportunity to obtain a group of Wagyu cross females that are mated for profit and outstanding carcass merit. They are bred back Wagyu for a 3/4 Wagyu cross that is often recognized as an ideal carcass for total profitability. One Wagyu cross bull will also be on offer and carries the polled gene and an outstanding pedigree.

This is a young cowherd that is very strong throughout and mated with some of the best genetics in the business to provide you with a great ROI. Whether it is highly production bred cows, open heifers, bulls or Alcatraz semen that you seek, plan on being in attendance on February 1 for a great opportunity. JD Pastures Inc has an awesome set of Angus & Wagyu genetics on offer and we look forward to seeing you in Westlock!

37 doses of HF Alcatraz 60F sells as Lot 161

Alcatraz checks off so many boxes on the herd bull evaluation sheet we are sure he will do the same for you. Alcatraz has tremendous width in his top from behind his shoulders all the way back to his pins and finishes off with a wide butt exhibiting exceptional muscle shape. He has a nicely shaped head with perfect feet and leg structure. He will definitely round out package on phenotype. His sire is Mayway Breakout 1310.

OLE Pinebank 722C is the direct son of DDA Pinebank 50H. He is the best female maker we have ever used. Pinebank is a thick and well muscled animal that moves very fluently. His sons have been some of our high selling sire groups as they reduce frame and birth weight. He has great capacity and width throughout.

Sensation was the lead-off bull at the 2016 S A V Sale selling for \$650,000. He delivers calving ease, with sensational phenotype and maternal presence. His progeny have length, muscle and balance. His daughters have a feminine, productive, maternal look. His dam has raised a growing number of herdsire sons including Resource and Renown.
