Welcome to our 3rd Annual Bull and Female sale to be held on our farm on Friday, March 27th at 1:00p.m. We invite you to join our family and the Granger family to view some cattle and enjoy some hospitality. We have been working diligently to source the best genetics we can to assure our buyers optimum quality herdsires. We refuse to follow the latest fads, as we can't gamble the integrity of our herd, and neither should you. For us, the best way to produce profit in the cattle we raise is by using a bull that will enhance the maternal value of our cow herd, and optimize our calf crop.

Our SAV Shortcut 6088 progeny represent the biggest group in this years sales offering. They are thick, easy-fleshing, with capacity and muscle. He has the ability to add length, strength of tops and exceptional feet. Shortcuts Net Worth dam has produced an \$80,000 son, and excels in fertility, longevity, and maternal value. We also utilized some rare semen, and used some AI sires that we felt fit the criteria of what we are looking for. Our mission is simple, we want to maintain what the Angus breed is known for, and not change it with current trends.

When I go through our bull pen, I realize that we may have one of the smallest Purebred Angus operations in the nation that hosts a bull sale. We don't claim to have "breed changers", or the best bull you will find anywhere, but I know we have honest bulls at affordable prices. We strive to use sires every year that will improve our cattle base. The dams of these bulls are producers, and they write their own story in their offspring.

To help us get through our Bull Sale, we would like to acknowledge our Sale crew, Bohrson Marketing as sales management, Ryan Dorran as auctioneer, Nate Marin at ringside, and Sarah Buchanan from DVAuction to broadcast and take bids online. This group has been with us from the beginning, and I always highly respect their opinions, honesty and values. I feel like we are backed by the best with regards to business and friendship, and we feel fortunate to have them lead this sale for us.

As I reflect upon this past year, I realize how lucky I am to have been raised on a farm, to be able to have this 60+ year old herd passed down to me, and to be able to meet all the amazing and resilient cattlemen and cattlemen that have blessed our lives. Whether you are looking for a bull or not, please accept our invitation to come down to the farm for a visit and a cinnamon bun or lunch. We sincerely appreciate the value of customers that turn into friendships. Here's to hoping you can join us on Friday, March 27th!

### PERROT CATTLE COMPANY

Alameda, SK  
Greg: 306-485-7415 Anna-Marie: 306-485-7666  
freitagperrot@sasktel.net

Welcome back everyone to the 2020 edition of the Perrot Cattle Company and Come As U R Bull and Female sale! Thank you to Greg and Anna for inviting us back for our 3rd year as guest consignors. We want to start off by thanking our buyers and bidders of the past sales. It is your support in our program that keeps us striving to produce bulls and females that will go out and continually improve your herd.

We are excited by the group of males and females we have on offer for you this year. As always our focus is on producing cattle that will go out and work for you, add pounds to your steer calf crops and sire females that you will want to keep in your replacement pen.

If you want to preview the bulls and heifers before sale day, or can't make it sale day don't hesitate to contact Kevin or Kianna and they will help you out with any questions you may have and can make arrangements for you to stop over to view the bulls at the farm. Thank you to the sales staff that assist us, and you, the buyer. Join us at the Perrot farm, just north of Alameda on highway 9, Friday, March 27th, 2020 for lunch, a visit and the sale at 1 p.m.

See you there!

Sparkplug is a Feature bull off a first calving heifer. The Sire of this guy is the very rare LD Capitalist, and his dam was Reserve Champion as a yearling heifer at the Regional level, and then following it up with Supreme Champion Female this past summer with Sparkplug at her side. This bull has been very special to us with his extremely docile nature, and he combines many things we look for when we go looking for a herdsire. He is extremely thick made with a full quarter that extends down. He carries extra depth of body and rib shape with good testicle development. His dam is a direct Motive daughter who is easy fleshing and nice uddered. Sparkplug 41G is a bull we have struggled with in the decision to sell. Take note of this fella, as his numbers are very good, and we think he's pretty cool.

Capital One is one of the very few LD Capitalist 316 sons being sold nationwide, and he's a good one. His maternal brother was a Feature bull and top-seller to MJT Cattle in Alberta in 2018. With just an 81lb birthweight, Capital One is an extremely long sided, smooth fronted bull who is correct and full of muscle expression. His dam is a Density granddaughter that continually pumps out some of our top calves. This year she has a President daughter at side that's as flashy as you can make them. Take a close look at this bull, we think he checks off all the boxes.

Smokeshow caught my eye the day he was born. He's a recip son out of our Bardella 1Z cow, who in her past produced the 2016 high selling female at the Power and Perfection Sale at Agribition, where she was also named Senior Champion Yearling heifer. This guy is the youngest bull in the offering, but he doesn't give up anything in terms of quality and performance. He's sound, attractive, and ready to work.

This Bardella cow family continues to grow in numbers around here with their productivity and efficiency, and the combination of this cow family and the SAV Short Cut bull, is a winning combination. This bulls gentle demeanor and strong qualities should make him an easy choice on Sale Day.

Tapout is long bodied, and impressively built out of a very strong milking cow and a son out of the high performing SAV Shortcut bull. We bred Bardella back the exact same way this past year hoping for a heifer, and she had another bull calf. All three bulls were within a few pounds at birth and built the same. This trio of flushmates off Vision Unanimous are a big, stout, power group. When we decided to flush Blackbird 7Z, I wanted to use a bull that has been proven for the long haul, and would have the ability to produce equally strong bulls as females. I needed a sire that would exhibit excellent foot quality, disposition, performance, and eye appeal. We are very happy with these 3 bulls, and think they would work perfect on cows if you're looking to add longevity, fleshing ability, improvement of foot quality and docility.

Unfortunately we didn't get a picture of Bourbon, but he is worth a good look. He is a heifers first calf, and he is a stout, well muscled hairy bull with large testicles and a docile temperament. His dam came to us from Alberta, and she has been an excellent addition, having another attractive small birth weight calf on the ground this year. Don't overlook this gentle guy with a nice set of numbers.

Primo 14G is an extremely attractive made bull that combines depth of body, thickness, and unbelievable hair. His dam is making her mark in our herd and is becoming a top producer for us, and this past year Rocco's heifer that he showed with much success was a maternal sister to this bull. Primo 14G could be used for those fancy show steers or to produce deep made, moderate, attractive females.

**DAM:** KRGS WENDA 5X MRL HERITAGE 131U  
MRL MISS 260T

This year is the first year we have multiple State Of War calves on the ground and boy do we ever like them! 906G's dam is a blaze face Heritage daughter that goes back to one of the first cows we purchased when we were getting into the purebreds, MRL 260T who still walks our pastures at 13 years old. Help yourself to a great cow family with lots of longevity.

**DAM:** COME AS U R JAYDA 537C COME AS U R RED ROCKET  
MRL MISS 2423Z

The pedigree for 936G speaks for herself! Her dam KRGS 537C, is a full sister to the \$100,000 MRL Missile 138C. We also have two full sisters to 537C in our program which have also produced daughters that have sold in our past sales. The granddam to 936G, MRL 2423Z, has been part of our donor program and is one of our favourite cows in the herd.

A Banknote daughter out of 510C the Prosecutor daughter that is one of our Angus donor cows. We flushed her to Banknote and got 10 embryos put them all in and got 8 calves, 6 heifers and 2 bulls. We sold a full sister to Perrot Cattle Company this fall, and just recently calved out another full sister, purchased by Denise Day from our sale last year. This girls pedigree is proven and now it's your turn to add this opportunity to your herd!

## TERMS & CONDITIONS

### TERMS

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes the auctioneer's decision will be final. Announcements made from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

### CERTIFICATE OF REGISTRATION

Each animal will carry papers issued by the applicable breed association, unless otherwise noted. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

### HEALTH

All animals in the sale have met all necessary health requirements.

### GUARANTEE

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in the sale will be sold under the terms and guarantees set forth by the applicable breed association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

### LIABILITIES

All persons attend the sale at their own risk. The sellers, facility owner, auctioneer and sale manager assume no liability, legal or otherwise, for any accidents that occur. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

### DELIVERY

Delivery within 300km radius to central points. Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

### INSURANCE

Agents will be in attendance to insure your purchases. We strongly recommend that insurance is purchased for full value.

### ERRORS

All announcements at sale time, written or oral, supercede any written material in this catalogue.

# *In Loving Memory...*

THIS YEAR'S OFFERING IS DEDICATED TO THE MEMORY OF OUR DAD, HUSBAND, GRANDPA, BROTHER, UNCLE AND FRIEND, KUNO FREITAG, WHO PASSED ONTO HIS HEAVENLY HOME ON JUNE 20TH, 2019.

DAD, I MISS EVERYTHING ABOUT YOU. I MISS YOUR SENSE OF HUMOR, THOSE WALKS IN THE PASTURE, YOUR GENTLE HUGS, OUR VISITS, AND YOUR LOVE. THANK YOU FOREVER FOR ALWAYS BEING MY GUIDANCE AND BIGGEST CHEERLEADER.

THESE BULLS AND FEMALES ARE A REFLECTION OF DAD'S COMMITMENT TO THE ANGUS BREED AND THE LOVE OF A LIFE IN AGRICULTURE. I THINK HE WOULD BE PROUD OF TODAY'S OFFERING. IT HAS BEEN A TOUGH YEAR FOR OUR WHOLE FAMILY, BUT TO EVERYONE THAT HAS OFFERED US KIND WORDS, SUPPORT AND PRAYERS, MY DAD WOULD ALWAYS SAY, "THANK YOU EVER SO MUCH."

THE LORD GAINED A BEAUTIFUL SOUL.  
A STOCKMAN HE COULD TRUST WITH A GENTLE HAND AND A DETERMINED MIND.  
STRONG ENOUGH TO TEND TO THE HARD WORK NEEDED,  
KIND ENOUGH TO HOLD A BABY IN HIS ARMS AND RAISE IT TO BE A FINE, CARING PERSON.  
SOMEONE THAT DEVOTED SIX DAYS TO HIS WIFE, FAMILY AND HIS STOCK,  
THEN TOOK THE 7TH DAY TO HONOR THE LORD AND THANK HIM FOR HIS BLESSINGS.  
THOSE ARE THE THOUGHTS THAT COME TO ME WHEN I HEAR THE NAME KUNO.
