SALE CLOSE MARCH 20, 2021

ONLINE SIMMENTAL & ANGUS BULL SALE

SALE RESULTS

45 BULLS AVERAGED \$6,338

Welcome from KT RANCHES

We are proud to host the KT Ranches Bull Sale on March 20, 2021 on DLMS Farmgate Auctions, offering 60 of our best Angus, Simmental, and SimAngus bulls.

Hello everyone and welcome to KT Ranches 1st Annual Bull Sale on our own at the ranch in British Columbia. We have a great passion for the cattle industry and enjoy the people in it along with the challenge of breeding cattle to build a strong program around. The agriculture industry has been in our blood and being raised on a cattle ranch has brought us back to the agriculture community these past years to grow our operation. We have progressively acquired many of the leading purebred genetics in the industry to grow our herd and service our future customers.

In October 2020, we moved all our animals home from Alberta and restarted the purebred operations in parallel with managing our commercial herd. The milder BC weather is nice from a people perspective, but it can also be a negative when raising cattle. Rain, late crops, mud and of course more rain created delays in getting the bulls in on a feed ration. For the first two months the animals had a forage ration which took some time to dial in with our nutritionist. A few adjustments later we were on the right track and began to see real results.

Our team have all rose to the challenge and worked extremely hard to transition from managing commercial cattle, adjusting to incorporate the extra work dealing with purebreds. We are working with Dr's Michael and Rich in Abbotsford, conventionally and IVF flushing our donors on farm. Our team is now proficient in synchronization programs and performing AI on large numbers of heifers and cows. The purebred learning curve while managing 800 commercial mother cows kept us moving forward and has made everyone tired. We are looking forward to adding to our team and adjusting workloads.

The bulls on offer all have very good feet, great temperaments and are structurally sound. All bulls have been examined by Dr. Brian of Creekside Vet Clinic for soundness and will have passed a semen test. We will stand behind our product. Animals with a structural deficit will be replaced with a bull of equal or better quality as set out in the catalogue. If your bull arrives and you are unhappy, we will replace him or find acceptable solution of a sale credit or refund. Repeat customers will receive a discount on their purchases as a thank-you for your support of our program.

I would like to say thank you to the fellow purebred operators in the industry who have shared your knowledge with us. We are taking your advice, continuing to build and adjust our infrastructure to provide the best environment for and improve our animals. Beyond our staff we extend a special heart felt thank you to Scott Bohrsen, Ryan Dorran, Rod McLeod, Scott Anderson, Meghan Black, Nate Marin, Katie Songer and of course Keith Altwasser. Your exceptional advice and support have led us to where we are today and with your continuing support we will only get better.

Tracey and I thank you for considering our animals and we look forward to seeing the future impact they have on your program.

Kevin Carson

FRIDAY, MARCH 19, 2021 9am PST • Auction opens on DLMS.ca
SATURDAY, MARCH 20, 2021 7pm PST • Racehorse closeout begins

VIEWING

Bulls available for viewing prior to sale day at any time.
Contact Kevin.

VIDEOS

Videos of all sale animals can be viewed on www.dlms.ca

TERMS & CONDITIONS

Cattle will sell under the standard terms & conditions put forward from the CSA, CAA and Bohrsen Marketing Services. These are available upon request. The payment of the sale are cash or cheque, payable at par to Bohrsen Marketing Services, unless satisfactory credit or invoicing arrangements have been made prior to the sale. The right of property shall not pass until settlement has been made.

SIGHT UNSEEN PURCHASE PROGRAM

We would like you to view the bulls prior to sale but if you can't, please contact any of the Bohrsen Marketing team to personally handle your purchase. Call to discuss the offering and we would be happy to assist you with your selections and represent you on sale day. We guarantee full satisfaction upon delivery or you don't own the bull.

DELIVERY

We will deliver bulls to central points in Western Canada and will assist with trucking to Eastern Canada and the USA.

VOLUME DISCOUNTS

Purchase 3 or more bulls and save.

3 bulls - 3% discount	7 bulls - 7% discount
4 bulls - 4% discount	8 bulls - 8% discount
5 bulls - 5% discount	9 bulls - 9% discount
6 bulls - 6% discount	10 + bulls - 10% discount

ANNOUNCEMENTS

Announcements on the DLMS.ca bidding platform will take precedence over any material printed in this catalogue.

HERD BULL GUARANTEE

Every bull has passed a semen evaluation by a licensed veterinarian prior to the sale and is structurally sound and capable of breeding cows naturally. **Fleshing ability** Within 9 months after breeding season, your bull should have recovered the weight loss and be in reasonable, healthy condition with a good quality forage diet. We are not responsible for anything above the purchase price of the bull.

If the conditions of the guarantee are not achieved, we will do one of four things: 1) **Replace the bull with one of equal value** (most practical during breeding season) 2) **Replace the bull and adjust the value agreed upon** (most practical during or before breeding season) 3) **Take back or ship the bull and credit will be given** to you for the selection of another bull the following year (most practical after breeding season.) 4) **Take back or ship the bull and a credit will be given to you for the selection of another bull** the following year (most practical after breeding season). After 1 breeding season - 75% of the purchase price. Year 2 - 50% of the purchase price. Year 3 - 25% of the purchase price.

RIGHT TO SEMEN

KT Ranches reserve the right to collect semen on any bull sold through this sale. The semen collection will be at the sellers expense and the buyers convenience. Any semen collected will be collected for in herd use only.

REGISTRATION & TRANSFER

A registration certificate of the animal will be duly transferred to the purchaser for any registered animals.

LIABILITY

The owners, their employees, sale staff and representatives accept no liability for accidents that may occur. Persons who view the bulls prior to sale time on our ranch, do so at their own risk.

LIVESTOCK INSURANCE

Stockman's Insurance - Cassie Dorran 403.507.5953

The sale ends with a horserace style close out at 6PM MST with extended bidding to follow and will continue until there is no bidding for five minutes.

With this option, all lots will close simultaneously. A few benefits to this style of auction are the buyer has the CHOICE to switch to any lot(s) in the offering if he is outbid on his/her current choice; buyer does not have to deal with the sale order of the sale because all lots are offered and bid on simultaneously; and the buyer has a choice(s) and more time to make his/her decision. Extended bidding means that the auction is not declared closed until there have been five minutes of inactivity after the 6PM close out.

REMEMBER TO CLICK ON THE REFRESH BUTTON TO UPDATE THE TIME REMAINING!

Example 1: Auction Closes at 6pm. There is no bidding from 5:55 pm to 6pm. All lots are declared closed and the sale ends at 6pm.

Example 2: Auction closes at 6pm. There is a bid placed at 6:58pm. The Auction is extended 5 additional minutes. No more bidding occurs. All lots are declared closed and the sale ends at 7:03pm.

Example 3: Auction Closes at 6pm. There is a bid placed at 5:58pm. Auction is extended by 5 minutes until 6:03 pm. Another bid is placed at 6:02 pm. No more bids are placed. All lots are declared closed and the sale ends at 6:07 pm

Proxy Bidding is a feature you may use during the duration of the auction. This feature allows you to place a private maximum bid that only you will be aware of and allow the computer to bid on you behalf when another bidder places a bid on the same animal(s) as you.

This is the only Raindance bull calf we had as we predominantly used sexed semen on females we flushed. As a March calf we expected we would be holding him for an extra aged bull. He weaned quite late when grass was light. In January one day walking the pen someone said who is that? At the end of February he weighed in at 1330 and he will easily go over 1400 pounds with the look to go with it.

To start the Simmental section we have a great set of sons from the \$120,000 Betts bull that is taking the breed by storm. These bulls are impressive in their phenotype and bulls that we are proud to offer the industry. Muscle, hair, stoutness, shape and overall power while being backed by awesome maternal genetics lands this pairing as some of the best we can produce. Note, 28H was an IVF ET calf that went over due date from a large, powerful recip that calved unassisted.

The Miss Pepsi cow puts strong feet and great performance into her calves. These Betts sons are just hitting their stride and have above average calving ease EPD's with exceptional growth. We have red baldy full sib heifer calves in our replacement pen that are among the very top. This cross definitely worked. Red baldie bulls of this caliber are hard to find and we feel that they will fit the needs of the most progressive purebred or commercial man.

308D is a no miss donor cow whom we purchased as a high seller from the Denver NWSS Sale. She is a strong footed, great uddered donor that is evolving into a strong cornerstone female. Her natural calf is the PF Oklahoma son with incredible calving ease numbers and one that is a true standout of the calf crop. We also flushed her to Loaded Up which resulted in this impressive baldy son that is sure to impress. These bulls are wide topped and deep along with a no miss calving ease EPD.

GETTING TO KT RANCHES

From Vernon, take highway 6 for approximately
50 km, and turn left on Sugar Lake Road. The
KT Ranches Bull yard is 1.5km down Sugar Lake
Road on the right side of road.
