-HENRY FORD

WELCOME

Welcome to the Canadian Donors Production Sale that will feature the same deep quality of pregnant recipients that we annually offer and new this year will be opens, bred heifers, frozen genetics and a special herd bull. Our main company of Bohrsen Marketing Services is a family business and we enjoy the many sectors of the industry that we are involved in with the people behind it being the most rewarding. We have always said that sales management and representing our customers/breeders throughout the industry is our top priority and something we take very seriously by leading the way with integrity, work ethic and sharing knowledge. With the growth of our BMS Team to over a dozen members who we consider family, we also expanded our Canadian Sires & Canadian Donors which allows us to invest in some of the best cattle in the industry and work alongside our customers to supply them with some of the most exciting genetics that the industry has to offer. This sale is a representation of the strongest bloodlines and cow families that we can offer and something we are very proud of.

We do lean on our customers to always offer their very best and we will never be hypocritical so we can assure you that we are offering our elite with nothing being withheld when it comes to this sale. We feel that we have acquired some of the coolest donors over the years and it is just nature that these cattle reproduce annually and all of a sudden after having some natural calves born, it forced us to transition our Pregnant Recipient Sale into a Production Sale that offers some special live cattle. This offering truly is the best that we have born and they are all offered, the only recipients that we have retained are a few yearling heifers that caught to embryos and we didn't think we wanted to chance offering them as the embryos they are carrying aren't 100% bombproof calving ease genetics - past them, they are all on offer. The live cattle portion is featured by some very popular cattle including the current FarmFair Grand Champion Bull and a set of bred heifers that are flat out awesome, we feel a couple of them have donor cow potential. We have a fall calving program here and the reason we started it was that we enjoy conventional flushing and instead of leaving a cow open for a full year, we only leave her open for a 1/2 a year and breed back for either fall or spring and that way we have better luck in getting them back in calf and not appearing stale. That fall calving program has allowed our kids a great opportunity to show some of these calves and they have excelled this summer/fall with Lots 2 & 3 as they were very competitive at every show bringing home a banner every time they were out. It truly isn't about the banners though and is all about seeing our kids compete, excel, educate and advance in life all while learning the importance of sportsmanship and making countless amounts of friends and memories on the way.

This is all easier said than done and would never be possible without Riley Bohrsen who is a full time farm manager and has taken this opportunity and absolutely excelled with it. I do think age is just a number and even though he is only 19, he is wise, mature, respectful and knowledgeable beyond those years and manages this farm on his own as successful as someone who has been doing it for decades on end. We trust the people we surround ourselves with and Riley is the one that makes all the hard decisions around this farm and his ability to take workload off of our plate and just handle the farm duties has been very important to us. He does it all from the glory jobs of showing cattle to the day-to-day feeding, needling donors and general herd health to the less desirable fixing, maintenance and everything in between. He not only represents our Canadian Sires & Canadian Donors program very well but he also works with us on the road with the sales management consulting at some select sales and most importantly, he is a great mentor for our kids to look up to and inspire to be like. We couldn't think of a better role model for our kids and we are fortunate to have him along and the crew he surrounds himself with, a special thank you to them as well as they assist Riley in succeeding when he needs a hand.

We are lucky to have the entire BMS Team that we do and they are like an extended family that we hold near and dear to our heart. We are very fortunate to have a group that treats our company and you the customer with the utmost amount of respect and true desire to see you succeed with excellent cattle. We work together throughout the Canadian cattle industry to promote the best of the best and do enjoy working with the strongest genetics, cow families and breeders in the industry. The offering in this book is an example of some of the top genetics that we have to offer and we stand behind them 100%. Feel free to reach out to Riley, myself or any of the BMS Team to visit on this sale offering further.

Best regards,

Scott & Rebecca Bohrsen

RACE HORSE STYLE CLOSEOUT

HOW TO BID:

OPTION 1 - UTILIZE THE BMS INDUSTRY-LEADING ORDER BUYING SERVICES. CONTACT A BOHRSON MARKETING MEMBER AND WE WILL BID FOR YOU IN A PROFESSIONAL AND CONFIDENTIAL MANNER.

OPTION 2 - BID ONLINE WITH WWW.DLMS.CA

FIRST TIME FARMGATE USERS:

- FIRST TIME USERS WILL SELECT THE REGISTER BUTTON FROM THIS PAGE. FILL OUT THE REGISTRATION FORM TO SIGNUP FOR A FREE USER ACCOUNT AND IT ALLOWS YOU TO SELECT A USERNAME AND PASSWORD FOR USE ON ALL FARM GATE TIMED AUCTIONS. (PLEASE NOTE DUE TO SOME OF THE TEXT NOTIFICATION FEATURES THE FARMGATE TIME AUCTION SITE REQUIRES A NEW ACCOUNT SEPARATE ACCOUNT FROM YOUR DLMS LIVE SALE SITE)
- AFTER YOU CREATE YOUR FARMGATE ACCOUNT YOU WILL RECEIVE A TXT MESSAGE WITH A PIN CODE TO VERIFY YOUR ACCOUNT.
- ON YOUR FIRST LOG IN TO FARMGATE TIMED AUCTIONS WE RECOMMEND YOU GO TO YOUR PROFILE AND CONFIRM YOUR NOTIFICATIONS ARE SET TO YES. THIS ALLOWS THE SITE TO SEND YOU TEXT AND/OR EMAIL NOTIFICATIONS WHEN YOU ARE OUT BID AND IF THERE IS ACTIVITY ON YOUR FAVOURITE LOTS.

HOW TO BID IN A TIMED AUCTION

NOW THAT YOU ARE LOGGED IN AND YOUR ACCOUNT PHONE NUMBER / EMAIL IS VERIFIED YOU ARE ABLE TO BID ON AN UPCOMING SALE. SIMPLY FIND THE LOT YOU ARE INTERESTED IN BIDDING ON. AFTER YOU HAVE FOUND THE LOT THERE ARE 2 OPTIONS FOR BIDDING ON THE LOT.

- **PLACE NEXT BID** - TO PLACE THE NEXT BID ON THE ITEM, YOU SEE THE AMOUNT IN THE FIRST BOX, YOU SIMPLY CLICK THE "PLACE BID" BUTTON AND AFTER YOU REVIEW THE BID AND AGREE TO THE TERMS AND CONDITIONS YOUR BID WILL BE PLACED.

- **MAX BID AMOUNT** - TO PLACE A MAX BID YOU PUT YOUR MAX BID IN THE SECOND BOX LISTED AS "MAX BID" ON THE ITEM, AND THEN CLICK THE "PLACE BID" BUTTON AND AFTER YOU REVIEW THE BID AND AGREE TO THE TERMS AND CONDITIONS YOUR BID WILL BE PLACED AS THE NEXT BID. WITH THE MAX BID PLACED THE COMPUTER WILL THEN KEEP YOU AS THE HIGH BIDDER TO THE MAX AMOUNT YOU HAVE PLACED. THIS CAN BE A GREAT FEATURE IF YOU ARE NOT ABLE TO GIVE 100% ATTENTION TO THE SALE CLOSE OUT AND PROTECT YOUR INTEREST SO YOU DO NOT MISS OUT ON ANY LOTS YOU WANT TO PURCHASE. THE MAX BID AMOUNT IS COMPLETELY CONFIDENTIAL FROM THE SELLER DURING THE SALE PROCESS.

EXAMPLE OF HOW THE MAX BID WORKS - IF THE LOT HAS A \$2000 BID ON IT AND YOU PLACE A PROXY BID OF \$3500 INTO THE SYSTEM, THE COMPUTER WILL BID \$2100 FOR YOU BUT IF SOME ONE ELSE BIDS \$2200, THE COMPUTER WILL AGAIN BID FOR YOU, THIS TIME AT \$2300. THE SYSTEM WILL LOOK AFTER YOUR INTEREST TO A MAXIMUM OF \$3500. IF ANOTHER BIDDER IS ON AT \$3600, YOUR PROXY WILL NO LONGER BE EFFECTIVE AND YOU WILL NO LONGER HAVE THE WINNING BID ON THIS LOT WITHOUT ONCE AGAIN LOGGING IN AND BIDDING AGAIN OR MOVING YOUR ATTENTION TO A SECOND LOT OF INTEREST. PLEASE NOTE THAT IN SOME CASES A LOT VALUE CAN CHANGE VERY QUICKLY IF 2 MAX BIDS ARE PLACED ON THE SAME LOT COMPETING AGAINST EACH OTHER.

WATCH LIST FEATURE

IF YOU HAVE ITEMS IN MULTIPLE AUCTIONS OR ONLY A FEW FROM THE SAME AUCTION THAT YOU WANT TO WATCH WITH OUT HAVING TO SCROLL THROUGH THE ENTIRE LIST YOU CAN ADD THE LOTS TO YOUR WATCHLIST. ON EACH LOT YOU WILL SEE THE "EYE" BUTTON BESIDE THE BID BUTTON, BY CLICKING THIS "WATCHLIST" ICON THAT ITEM IS ADDED TO YOUR PERSONAL WATCHLIST FOR EASY VIEWING OF JUST YOUR FAVORITE LOTS IN THIS SALE OR ON THE ENTIRE SITE.

WHAT IS RACEHORSE STYLE CLOSE?

RACEHORSE STYLE SALE CLOSE IS WHEN THE ENTIRE SALE STAYS OPEN IN EXTENDED BIDDING. THIS TYPE OF SALE ALLOWS YOU AS THE BIDDER TO CHANGE TO A DIFFERENT LOT WITHIN THE SAME SALE IF THE BIDDING HAS GONE IN TO EXTENDED BIDDING.

HOW WILL EXTENDED BIDDING WORKS? WHEN WE GET TO THE CLOSE OUT END TIME THE CLOCK FOR CLOSE EXTENDS WITH ANY BID PLACED WITH LESS THAN 5 MIN ON THE CLOCK. THIS TYPE OF EXTENDED BIDDING TURNS THE END TIME TO MORE OF A SOFT TIME. EXTENDED BIDDING ALLOWS BIDDERS TO COMPETE IN LOTS LIKE A REAL AUCTION AND GIVE ALL BIDDERS THE SAME TIME TO MAKE A DECISION. ALWAYS FOLLOW THE CLOCK TO SEE HOW MUCH TIME REMAINS IN THE SALE YOU ARE INTERESTED IN.

BIDDING CLOSE & FOLLOW-UP

AFTER THE CLOCK HAS GONE TO "ENDED" AND NO BIDDING HAS OCCURRED FOR 5 MIN THE COMPUTER WILL DECLARE THE SALE FINISHED. FOLLOWING THE CLOSE TYPICALLY WITHIN 24 HOURS OF THE SALE CLOSE THE SALE CONSIGNOR WILL CONTACT ALL WINNING BIDDERS TO ARRANGE PAYMENT, TRANSFER OF PEDIGREES AND DELIVERY/PICK UP OF YOUR LOT. OR AS THE WINNING BIDDING YOU CAN CONTACT THE SALE CONSIGNOR / SALE MANAGER TO CONFIRM PAYMENT INSTRUCTIONS.

- PLEASE MAKE SURE THAT YOUR ACCOUNT INFO IS UP-TO-DATE AND CORRECT IF YOU ARE THE WINNING BIDDER OF A LOT AS THIS IS HOW THE BILLING IS SENT TO SALE MANAGER AND/OR SALE CONSIGNOR.

IF YOU NEED ASSISTANCE, CONTACT MARK SHOLOGAN - 780.699.5082

LOCATION OF RECIPS IF YOU WOULD LIKE TO VIEW THE PREGNANT RECIPENTS PRIOR TO SALE OR ARRANGE FOR PICKUP AFTER THE SALE, PLEASE CONTACT RILEY AT (639) 213-7777

DELIVERY WE WILL WORK WITH ALL PURCHASERS TO ASSIST IN DELIVERY AND TO GET THEM DELIVERED TO CENTRAL LOCATIONS THROUGHOUT CANADA, FEEL FREE TO VISIT WITH SCOTT PRIOR TO SALE ON THESE DETAILS. FOR USA CUSTOMERS, WE WILL COVER FULL COSTS OF PAPERWORK AND DELIVER THEM TO A CENTRAL LOCATION ON THE SOUTH SIDE OF THE BORDER.

HERD HEALTH DIDSBURY VET SERVICES HAS BEEN OUR MAIN VETERINARY SERVICE FOR GENERAL HERD HEALTH. ON NOVEMBER 15, THE GROUP OF RECIPENTS ALL RECEIVED SCOURBOS 9, VIRASHIELD 6, COVEXIN PLUS, SAFE GUARD & BOSS POUR ON.

TERMS + CONDITIONS CATTLE WILL SELL UNDER THE STANDARD TERMS & CONDITIONS PUT FORWARD FROM CSA, CAA & BMS. THESE ARE AVAILABLE UPON REQUEST.

GUARANTEE ON LIVE CALF WE APPRECIATE YOUR INTEREST IN OUR PREGNANT RECIPENTS AND UNDERSTAND THE CALF THEY'RE CARRYING IS YOUR FOCAL POINT IN THE INVESTMENT. WE WANT YOUR INVESTMENT TO SUCCEED AND WE STAND BEHIND OUR PRODUCT AS HERD HEALTH US UP TO CHECK AND WE HAVE THE UTMOST CONFIDENCE IN THE RECIPIENT FEMALES. WE DON'T ANTICIPATE ANY ISSUES AT ALL BUT IF YOU LOSE THE CALF BETWEEN SALE DAY AND 24 HOURS AFTER CALVING, WE WILL OFFER A FULL CREDIT ON YOUR PURCHASE PRICE OF THAT LOT MINUS \$2,500 FOR THE VALUE ON THE RECIPIENT FEMALE. THIS CREDIT CAN BE USED IN FUTURE PREGNANT RECIPIENT PURCHASES FROM CANADIAN DONORS. PLEASE NOTE, WE FIND THIS SCENARIO IS DIFFERENT THAN BUYING A PUREBRED BRED HEIFER IN OTHER SALES BECAUSE THE PURCHASER HAS THEIR ENTIRE LIFETIME TO CREATE A ROI ON THEIR PURCHASE EVEN IF THEY UNFORTUNATELY LOSE THE CALF WHEREAS YOUR INVESTMENT IN A PREGNANT RECIPIENT IS MAINLY IN THE CALF INSIDE AND WE WANT TO STAND BEHIND THAT INVESTMENT.

SEXING OF CALVES THE CALVES HAVE BEEN SEXED FROM A VET WE TRUST BUT WE CAN'T GUARANTTE THE SEX OF THE CALF, WE ARE RELAYING ON THE INFO PROVIDED TO US.

SIMMENTAL
BULL

BIG ENERGY

Selling Full Possession. BMS retaining 100% Semen Rights.

Limited semen will be offered at New Year's Resolution in Edmonton on December 31, 2022.

A great opportunity to acquire the reigning 2022 FarmFair Grand Champion Bull & Top 5 Supreme Finalist who wraps it all together. He possesses one of the most popular pedigrees in the red simmental gene pool it comes as no surprise as his full sister was just declared Supreme Champion at both Lloyminster & Edmonton FarmFair wiith another full sister winning the Toronto Royal. Sired by the \$120,000 phenom, the breeding sensation SVS Betts 808F and mothered by one of the most potent donor cows in the entire industry, IRCC Darlin' 613D. Last fall she had a historic outing with maternal siblings to Big Energy like Mader Walk The Line 92J commanding \$280,000 and Erixon Lady 2J garnering \$60,000 as well as full sister, Mader Darlin'

65J bringing \$30,000. Big Energy would also be a full sibling to the recent Supreme Champion female at Lloydminster for Twin Springs, Mader Darlin' 4H as well as the 100th Anniversary Royal Winter Fair National Champion, Erixon Darlin 2.0 for Indian River, Abby Hill, Destiny, Dunc and ourselves. The cow power and pedigree Big Energy possesses is absolutely rich, but if you take away the paperwork, we believe he is still one of the most phenotypically impressive sires you will lay eyes on. Big Energy is deep cherry red, hairy, big boned, smooth shouldered, masculine skulled and crested. We really appreciate how well he gets out and travels on his big foot, for how much extra length and stoutness of rump he has. This broad topped power house is

FULL SISTER TO BIG ENERGY - MADER DARLIN' 4H - FARMFAIR & LLOYD SUPREME

FULL SISTER TO BIG ENERGY - ERIXON DARLIN 2.0 - TORONTO GRAND CHAMPION

impressively erect fronted, something we feel is extremely rare in bulls that carry as much natural shape and power as Big Energy 97J. We truly believe the breeding possibilities are endless when you utilize Big Energy and have the utmost amount of confidence in his ability to sire high quality offspring of both genders. We are excited to work with the new owners of this red herd bull.

**Riley and our team would be interested in working with the new buyer to assist in showing Big Energy in 2023 if the new buyer chooses.*

GATEWAY FOLLOW ME F163 | SVJ SHE'S THE DREAM B796
DUNK-W MAXINE HR 505C | SVJ SHE'S THE DREAM Y728

These 2 have been a lot of fun for our family to show this summer/fall and it is very hard to sell them but we are committed to selling our best and not retaining any. They have won banners at every show they have been at and it has been awesome to see our kids succeed with confidence and skill while enjoying showing alongside with their friends. Arguably, the most exciting pair of females we have ever had in our possession would be these two open, extra-age flush mates. Sired by Gateway Follow Me F163, the absolute female maker complemented on his bold rib shape, stout muscle pattern and ability to stay sound in motion. The multiple high sellers sired by Follow Me is simply too long to list as he has been an absolute breeding sensation of show heifers that still have the proper fundamentals to make big time mother cows. These females are mothered by one of our favourite red donors in our arsenal, the Shes the Dream B796 cow. She herself was a many time champion but has more importantly transitioned into one of the great red cows within the breed. 1033 & 1737 have had a dominant show career claiming many champion and reserve titles in breed shows and jackpots throughout the summer and early fall. These two females have flip flopped at many shows and

every person that comes to analyze these two picks a different one. They are so close in type and kind it becomes fairly knit picky to separate one from the other. Their bold robust centre body, hip shape, extended, smooth front ends, added hair and added bonus of white on the faces make these two an attractive pair that are hard to get around in the show ring. We truly believe their maternal look, teat length and placement also has these two destined for donor greatness, following in their mamas foot steps of gorgeous show heifers that turn into big time productive cows. This pair of heifers are so fun to work with and handle ideally for Gracie and Thomas throughout the year. The possibilities will be endless in this pair of exciting sisters and we are excited to see how they influence their new owners programs.

Selling full interest & full possession but we would be interested in working with the new owners to promote these females into the future. Contact Scott, Riley or any of the BMS staff to discuss these females further.

R&R MISS CUT ABOVE Y127

We purchased our first Simmental 16 years ago during the World Simmental Event in Calgary and over that time, I thought I would be able to figure out the CSA upgrading table. With that, we think alot of this Lot 4 and had her in the show barn since April and she rivalled the Lot 2 & 3 in many ways on many days but Gracie and Thomas ultimately choose to show the other 2 because they were more kid broke from the start (plus their white on the head always helps a kids decision). We kept Lot 4 rolling along and we were excited to show her this fall in the Purebred Shows and to my surprise, she came back as a 3/4 blood (not a PB) as we went to do entries. I was shocked and only person to blame is myself for not looking into it earlier and we decided not to enter her and show against the kids calves on the SimAngus side even though it would've been very interesting. Sorry Riley, you worked on Lot 4 for 1/2 a year and we never did take her to a show in the end, my bad. We do commend the CSA and its members for taking steps forward in the future to simplify the upgrading table. We do think this Lot 4 is special and her Lot 5 full sister compliments her well and we are very proud to offer this pair of flushmates off of one of our favourite up and coming donors, Rust Linda 9563G. We think Linda 9563G could be our best up and coming donors and if her early production is any

DAM - RUST LINDA 9563G

GRAND DAM - R&R MISS CUT ABOVE Y127

LINDA 1474

indication, she could be a legit great one. Her dam, Y127 is also the dam of the famous FHEN Halftime A127 who is a NAILE Grand Champion and has evolved into a great breeding bull and popular AI sire. She also produced a full brother to Linda that commanded \$28,000 to Maple Lake Stock Farms. We chose to flush Linda to the 2018 NAILE & American Royal Champion, WLE Copacetic. He was a dominant show bull that was a sound, big bodied, impressive looking individual. From the ground up they are our kind as they are strong footed, with lots of bone in a sound structure. Their udder attachments appear to be ideal and they are bold sprung, wide pinned, stout quartered, level topped while being extended through their front ends while both sporting beautiful skulls. They have the power and performance to be mated to lower birth bulls, and they have the extension, look and build to be bred to bigger power & performance orientated sires. The options are truly endless with this pair!

Selling full interest & full possession but we would be interested in working with the new owners to promote these females into the future. Contact Scott, Riley or any of the BMS staff to discuss these females further.

PROFIT TL LEDGER MISS STAR ABOVE | LF DREAM DOCTOR SVF ABOVE & BEYOND T87 NLC ABOVE & BEYOND P84

AI Bred to SRH Hannibal 5H on March 24, 2022 (Safe)

Here is your chance at a maternal sister to the 2015 American Royal Champion female, the \$140,000 Eternity female. When we had the opportunity to purchase a flush on the stunning T87 donor we jumped on the opportunity and decided to flush her to the \$250,000 TL Ledger bull. We feel Above & Beyond 0325 brings a different twist on pedigree yet has a know genetic make up that's recognizable and ultimately extremely marketable. 0325 herself is stunning from the side profile, she got a sweeping rib cage, ample amount of bone, smooth and tidy in through her shoulder and up into a long, beautiful front end. She's got the added hair, base width, ideal teat placement and over all eye appeal to become a donor type female to build a new fresh cow family around that's already got a proven track record. We are very excited about what 0325 has to offer the industry. Her early service to the popular, now deceased Hannibal 5H is one we feel will click extremely well, and if we were betting people, there's probably a high chance that one day the new owner would turn around and flush her back this same way, that's how confident we are in this mating. **Selling full interest & full possession**

\$46,000 DAM - NGDB LOUISE 411B

MAT. SIB. - NGDB STRUCTURE

AI Bred to CLRS Guardian 317G on March 24, 2022. (Safe)

None other than Structures little sister here as they share the same dam that highlighted the 2019 Cobra Event where she commanded \$43,000, Louise 411B. Structure has been an absolute breeding giant with many high selling sons and daughters topping sales across North America, including the \$150,000 RF Caliber 014G. Add in the top side of Louise's pedigree with the great Merchant 481B and the result is this stout, attractive, sound made blaze face sweet heart that we confidently say could follow her mothers footsteps and enter the donor pen for her new owners. We feel the foot shape, udder quality, dimension and added bonus of a pedigree that reads really nice is the perfect combination in this highly maternal, power heifer. Her early service to Guardian is truly exciting as the Guardian progeny we have found this year have come easy and not looked back with lots of grow and performance. We have dug deep into our Canadian Sires program to offer the best and that is our commitment. It did hurt to offer this one as it was the only Louise 411B daughter we got before we lost her to an injury, we truly think this one can be an influential donor for many years to come. **Selling full interest & full possession**

**SIMMENTAL
OPEN FEMALE**

An in dam pregnant recipient purchase from Meadow Acres historic dispersal last fall has resulted in the super stout, big topped and deep ribbed Sabrina 2349. The Witness progeny have been a real neat blend of power and performance and yet still remaining very nice lined with a maternal look to them. It comes as no surprise with the cowy look 2349 possesses as her donor dam, Sabrina 89B is a gorgeous Poker Face daughter who now calls Rainbow River Simmentals home. The cow power lined up in Sabrina's pedigree with the likes of W21, Tula, 90R and 89B herself are extremely exciting and we feel 2349 could be a real breeding piece for her new owners.

We were fortunate to purchase the pick at R Plus this spring as a \$30,000 sale feature and 9236G rose to the top as our selection. She combines an awesome pedigree, phenotype to burn and had a stout and impressive baldy bull calf at side. She is very fertile and flushed well this spring and replicates the type of cow we want to build around. She is a special breeding piece that has a tonne of future as her sire is the famous 5015C and the bottom side is a beautiful donor. Jetstream Bright N Classy was a past Royal Grand Champion Female and is awesome udder, big bodied, powerful and ideal in her design. The matings to the \$150,000 Caliber will be among the first to hit the ground and combining him and 9236G will be a big time combination with endless possibilities on ROI.

A combination of two of the most elite individuals we have in our Sire and Donor line ups respectively. The \$150,000 Caliber who will add frame, length, power and performance while not sacrificing maternal qualities being mated to the dominant show female turned big time production cow, She's The Dream B796. Check out B796's two daughters selling in this sale and see why we are so excited for this mating, she has the ability to produce extremely easy doing, functional show cattle that can compete in the show ring and ultimately make impressive, productive cows. We feel the addition of Caliber onto B796 could be a big time cross.

Lot 10-11 Recips: TOG 84534 & TOG 81111 are commercial recips that are sound structured, problem free and very complete made. The tern "Transova Recips" can often have a negative image for some producers but we will be upfront that our TOG recips in the last 4 years have been ideal as they calve on their own, good to handle and problem free cattle that raise heavy calves.

\$30,000 DAUGHTER - MCINTOSH MOLLY IH

It's certainly not in our nature to select favourites, but if you held us at gun point and said to pick one, there's pretty high odds Mollydooker 34C would be many of our personal picks. Her easy going nature, coupled with her stunning profile makes her easy to love. Her udder is one we don't think you can tweak and her combination of power and look and extension is commendable. Add in the fact she's a black baldy and we feel it's a total package. Her matings to the \$280,000 Mader Walk The Line 92J, is truly exciting as these are exclusive genetics from one of the most talked about bulls out of one of the most talked about cow families in the entire industry in the last decade. We feel when you factor in WTL's length, power, muscle, bone and over-all look, the combination could be absolutely lights out.

Lot 12 Recip: Commercial 7-year-old cow that is an easy one to recommend that was acquired from the Tannas Dispersal. We have often said there was great buying in that sale and we supported it by picking up 10 bred cows and wish we would've got more.

Lot 14 Recip: Commercial recip acquired from the Meadow Acres Dispersal and she is nice in her type and complete made. Good cattle like this are the profitable ones for years to come.

Lot 15 Recip: Rust Ms Flirt 013H is a CDI Trustee 387F x RF Not Just A Flirt 404B and sports a big time pedigree. 404B is one of the very best in the industry and this daughter has so much going for her and we think this is flat out cool to offer a recip of this value as she carries an embryo.

R PLUS YUMA 9087G	NCB COBRA 47Y
RF NO LIMITS 1112J	MAF JAZZ 59D
RUST MISS 6217D	MAF JAZZ 20B

One of our favourites that came out of the historic Meadow Acres dispersal was the beautiful Jazz 59D. An own daughter of the legendary Cobra, she exemplifies everything we have come to expect from this breed great. Sound and functional, superior foot and udder quality, undeniable Cobra fronted and skulled, with a big robust silhouette. Her mating to the \$90,000 RF No Limits is very exciting as he was the highly anticipated Yuma son from the 2022 sale season that had the white face, the outcross pedigree, beautiful dam, foot quality and power. No Limits length and sound skeleton will surely complement the abundance of mass and shape of Jazz 59D

Lot 16 Recip: A purebred Angus that will sell with papers and raised a Sting daughter this summer that we actually retained and like quite well come weaning so you can surely chalk this female up to having the ability to raise them.

REMINGTON LOCK N LOAD 54U | MRL BLACK TOP I27A
SRH HANNIBAL 5H | MRL MISS 8465F
SRH PRECIOUS 73A | MRL MISS 5310C

Our "back to the basics" type donor is the stunning 8465F as she is perfect footed with an extremely good udder that flat out gets it done in production whether she is raising one herself or pumping out embryos. Her attractive build and perfect fundamentals made her an easy choice to try and duplicate to put out into the Simmental industry. Her mating here to the now deceased, very popular Hannibal 5H is very exciting as his first calf crop reports are very encouraging with calves that half come easily and then grown into impressive calves at weaning. Hannibal is an outlier in terms of his EPD spread and we really like how he breeds like a heifer bull and looks like a jammy cow bull. This mating could result in a great one.

SIRE OF RESULTING CALF - HANNIBAL

Lot 17 Recip: A coming 3-year-old black SimAngus cow that raised the heaviest steer calf from the group of commercial females that we purchased from the progressive Westman program. If she can raise another like she did in her first crack, you'll be laughing all the way to the bank. .

WS MS UPGRADE Z15 | SUNNYVALLEY BLK JENNA 88U

A pregnancy here out of a maternal sister to the great Captain Morgan 11Z. The Jenna cow family is certainly one of the most influential and after the 2021 Jenna/Flirt event seeing all the descendants that stemmed back to that great cow, it's very evident. 65A is a model Simmental cow, easy doing, big ribbed, deep bodied, broad topped and robust in her hip while remaining attractive through her front end. Her mating to the outcross Stepping Stone bull here is sure to enhance the possibility of a white face and we all know how well S.S has bred the last number of years producing gorgeous uddered females and big thick sons that are easy to market in both the commercial and purebred sectors. This is a mating featuring some older, proven genetics that truly never go out of style.

Lot 18 Recip: A coming 4-year-old from the group of Whittemore cows we purchased and they are the right type. Sound udder, strong footed and fertile all while they raise a heavy calf.

RUGGED R BELLAGIO 5057C | CHAMPS BRAVO
RUGGED R BORDEAUX 0029H | ALLIANCE MS DAKOTA DREAM
DT HILLARY 390D | ALLIANCE SPECIAL'S DAKOTA

Wow, wow, wow we believe this combination is one you can't dream up of to be any better. Dakota Dream is an absolute specimen and firmly believe you'll be hard pressed to find a homo polled, full fleck female with as much natural shape and dimension that she possesses. As shapely as she is, she still has the ability to come high out of the point of her shoulder and is up headed and attractive with two great big goggles. Dakota Dream has a picture perfect udder and is a breeding sensation already as her first natural son is a herd bull for Double Bar D, and her first two E.T daughters that hit the auction block brought \$21,000 and \$18,000 respectively. Her matings to the popular imported bull from Rugged R, Bourdeux was a bull we knew we needed to utilize the moment we laid eyes on him. Dark red, long spined, smooth made, stout hipped with a big strong foot. To see Bourdeux travel across pasture servicing a big group of cows and still carrying his condition with a proud, look at me front end with a bunch of young, high quality offspring displayed along side of him was truly the icing on the cake and we knew he needed to see use on some of our best donors. We can confidently say these matings could result in the next great one and are very excited to see the outcome.

Lot 19 Recip: Here is a Tour Of Duty 5-year-old female that came from RBM Angus and is one of the best recipis on the place. Powerful, strong footed and very good udder. I never fell in love with the TOD cattle but if he made more of them like this recip, maybe his popularity would've stuck around longer.

Lot 20 Recip: Coming 4-year-old commercial black cow that won't come over for morning scratches but we do eradicate any docility, feet and udder issues cows and she's above average for feet and udder but below an average on docility so it equals out ... right? This one isn't a major docility issue or else she wouldn't be here but we may as well tell you now that if you feel your cows should be pets.

Lot 21 Recip: 55H is a legit producer and strong coming 3-year-old Purebred Angus cow that sells with papers that is a Pacesetter x Excalibur x Eagle Eye combo. We do try and line up the Angus recipis with Angus embryos and Simmental recipis with Simmental embryos but we implanted fresh embryos on this day with our Angus donors happened to bomb. We just feel this 55H is more valuable than just a recip in the future so invest in her and spin to an Angus buddy down the road for ROI as she is surely to breed well.

Lot 22 Recip: We like 71331 real well as she's a mid age black commercial cow that is quiet, solid udder and good type of recip that's easy to recommend.

23

ROD SHAMROCK 10G X KUNTZ MISS MOSES 058H

RECIP DDN 0176H // CGA# 173465 - DUE JAN. 7, 2023 - SEXED MALE

FSMB POL EDDY 3E | IPU 402T ESPOSITO 126D
ROD SHAMROCK 10G | **KUNTZ MISS MOSES 058H**
BMS POL BRENDA 8C | KUNTZ MISS MOSES 620D

We decided to flush our new donor, Miss Moses to the homo polled Shamrock 10G, we felt his added frame and length would be a nice cross to 058H's bold rib shape and soggy build. As stout and powerful as Miss Moses is, she is still extremely attractive, nice skulled and beautiful uddered. The Miss Moses cow family is one of the most recognizable ones in the industry and has been a mainstay staple for the Kuntz program with many, many herd bulls sold out of their program and a bunch of highly productive daughters retained in their herd. The outcross Shamrock has certainly made a name for himself on his first calf crop as he has bred in lots of performance to his offspring. We feel this mating could be the perfect combination for one another.

Lot 23 Recip: A purebred Gelbvieh coming three-year-old that came out of the Gathering Sale that raised a strong heifer calf in her first go this summer. Quiet, good udder, sound made and nice udder - the right type.

 FF RITA 5X87 OF 3F21 TEN X | LINZ LADY INNOVATION 62137

An absolute sale feature and one we are proud to offer the industry. Lady Charm 1916 is one we feel has a world of potential ahead of her as this off age female is backed by one of the strongest donors in our lineup, Lady Charm 9916. Much like her gorgeous donor dam, 1916 is flawless in her design, with a bold spring to her midsection, deep, sweeping rib shape with ample bone, extra neck extension with all the "look at me" presence you can pack into one with as much rear muscle shape as she does. Her teat placement at this stage looks to be much like her dam and we believe she will absolutely knock it out of the park as she hits lactation. She just recently was shown at her very first outing as an off age heifer against the older girls where she stood 3rd in class to the division champions, and the overall Grand Champion female. We believe the options are endless as this one will show competitively as she keeps getting older and know she, like her mother, is destined for donor greatness.

 A really neat result in combining mainline American show genetics, with performance Angus as well as some of the most note worthy cows within the breed. The One Nation progeny have been held in high regard for their calving ease and built in cow power. One Nation is one of the best President sons and his mating to a Style x Rose 1019 daughter has been a very complimenting cross. 1006 herself shows so many quality attributes the Emblynette and Rose cows have been made famous for. Udder quality, fleshing ability, shape all tied together with a beautiful maternal look is what makes Rose 1006 a standout in the bred heifer pen. This fault free, balanced female is carrying a safe service to PF Oklahoma, a bull we lost far too soon as he has bred on to sire highly marketable progeny of both sexes that calve easy and grow.

If you like the “Duff” kind that are moderate, easy converting, robust and ground pounders all while being maternal in their look, you’ll love this one. What an absolute royal pedigree when you add Integrity 7037 (Charlo x Erica 74A) to Annie K 7131 who happens to be a full sister to the great Firebrand 6068. If you are a pedigree buff then we think you will appreciate the paperwork that goes along with the impressive phenotype offered from Annie K 1060. Undeniable Angus mama cow characteristics, she beautiful skulled, bold ribbed and looking to be setting up an absolutely gorgeous udder.

DAM - BROOKING ANNIE K 7131

BROOKING BEAUTY 333

Without question when you think of one of the most potent Angus cows in the country, Beauty 333 would rank amongst some of the very best. Many many big time daughters, influential sons such as Mercury and the pick of the entire Brooking heifer calf crop at \$57,500 was a beauty 333 daughter. This cow flat out produces and clicks with every mating. The Territory mating is truly exciting as he is one of Resources best sons, backed by a gorgeous Density mother. The embryos by Emerald are some of the newest and most exciting genetics. Emerald was a \$94,000 high seller out of the Rose Bowl and his past calf crop is extremely exciting with many high quality progeny of both sexes. You can never go wrong with a Beauty and embryos by both of these studs to the legendary 333 will be big time quality.

Lot 28 Recip: The Blake program is a hidden gem set of cows and they know how to raise those top end females, 74H was a fortunate purchase out of the Keystone Sale. Her heifer calf was retained and this coming 3-year-old Red Angus cow sells with papers and is nice made.

Lot 29 Recip: We like supporting breeders that support us and you can call it luck or what you want but when we acquired KBJ 1031B from LLB, it was a fortunate acquisition and glad they resold her to us. Her bull calf at side has been awesome since day 1 and a legit standout, he really was the favourite calf around here all along. We thought so much of him that we sent him down to Compass Ranch for their bull sale as they were short on Red Angus bulls this year. I could go on about the bull calf at side and the job 1031B did on him but we need to shorten up these recip footnotes instead of make them longer. 1031B sells with papers and please don't put embryos in her in the future, she can raise her own as good as any and that bull calf is a perfect example.

\$36,000 DAUGHTER - BEAUTY 0154

\$36,000 DAUGHTER - BEAUTY 8042

BROOKING BEAUTY 8062

An exciting array of sires well represented mated to the beautiful direct 333 daughter here in Brooking Beauty 8062. She herself is such a great example of the silhouette you come to expect from both 333 progeny as well as Bank Note progeny. Stout, big boned, easy doing, with an attractive front end. 8062 is packed full of base width and dimension, she's a sight to be held. Her mating to the exciting \$225,000 Triumph will result in some very marketable progeny and we can just envision the foot quality this combination will produce. Raindance progeny have been known to be long bodied, deep sided with a tonne of power and performance. We believe this son of the legendary 4136 will compliment 8062 very well. When we mated 8062 to Density, we thought if you had a group of daughters born you would be in extremely great shape with this infamous female maker, but if every bull produces females like his mother, you will be in equally as good a shape with a crop of sons by Density x 8062 as you would a crop of females. Myer's Fair n Square was a no brainer as a sire to utilize on 8062 as his added length, proud front end, bone shape and different pedigree are sure to be a nice cross on this stunning Bank Note daughter to leave you marketable progeny and the type to build a cow family around.

Lot 32 Recip: Another Brookmore production cow that is 7 years old and easy to recommend. This Iron Will/Final Answer/Dynamite female is fault free and has the ability to raise those heavy calves that we strive for.

Lot 33 Recip: Here is another Brookmore recip and one we like really well for her easy doing yet hard working ability to raise a heavy calf. This maternally driven female is 7-years-old and in her prime, ready to raise a big time calf for you.

Lot 34 Recip: Impressive producing cow here with 620F as she doesn't miss. Her first calf sold to El Nacimiento Ranch in Mexico, the second to Calder Jones and third was a bull calf born here this past winter ... she can produce in big ways for many years to come.

Lot 35 Recip: She is a Final Answer/Right Time/878 combo and the cattle that Haney/Sibbald picked up for us at the Tannas Dispersal flat out worked and we have said we wish we would've bought more that day. This female has produced her own sons to M & H Ranch & Starland Farming and daughters to Six Springs & McPherson/Zubko. She produces with ease and is valuable.

Lot 36 Recip: 15H will be coming into her prime and not only is she nice phenotype with strong genetics, she was bred from some of the really good breeders in the industry. Sells with papers and a lifetime of profitability ahead of her as we acquired her from a top end program of great people in Manitoba.

Lot 37 Recip: Westman Farms is one of the most progressive cattle programs in the industry and spare no expense acquiring the best genetics. Of all the females in the Westman group, Riley's favourite is this 124 female.

Lot 38-40 Recips: The best buying we did in the fall of 2021 was easily a package of 5 bred heifers from our friends, the Packett Bros. They're awesome cattleman and buy the best bulls in the industry who often smoke out purebred breeders when buying a herd bull for their incredible commercial cowherd. Their cattle flat out work and bring a premium for a reason - they're profitable. As first calvers, they are fertile and sticky as they caught 83% on implanted embryos and if you don't believe me on how good these coming 3-year-olds are, just ask Riley Bohrsen as he's the knowledgeable one around this joint who knows the cattle best.

TIBBIE 51G

41
LOT

NORTHWAY BANG ON I3G X GREENWOOD TIBBIE JJP 51G

RECIP BLAIR 583F // CAA# 2032812 - DUE JAN. 29, 2023 - UNSEXED

MUSGRAVE 316 COLOSSAL I37	COLEMAN CHARLO Q256
NORTHWAY BANG ON I3G	GREENWOOD TIBBIE JJP 51G
PEAK DOT DUCHESS 93D	RRD TIBBIE 28Z

Tibbie 51G was Canadian Donors and Blairs.Ag acquisition from Greenwood in the inaugural Evolution sale where she was the high selling Angus lot for 2/3 interest. She was selected for her rich maternal pedigree as her dam, 28Z is Greenwoods #1 income donor with many herd bulls on her resume such as the \$60,000 Four Mile, \$31,000 GameNight, \$30,000 Honor, \$25,000 Gunslinger and many daughters retained in her. 51G was the first daughter available for auction and we knew we needed to gain a piece of these Tibbies. 51G herself is very angular and tidy in her lines. You can bet she's strong footed and great uddered. Her mating her to the \$58,000 Bang On bull will only add to her impressive foot quality, and his powerful, robust shape will be a complimenting addition to this attractive female.

Lot 41 Recip: I once read this quote that stuck with me; "I'm a great believer in luck and I find the harder I work, the more I have of it" and the purchase of 583F rings very true to that as we are lucky to have her. We have always respected the Blairs program immensely and with their deep sale offerings, there is the odd diamond in the rough purchase that can be made. On phenotype, 583F can be mistaken for a donor when doing a donor/recip sort and she will sell with her papers and we encourage you to transition her into a production cow.

LOT

SCHIEFELBEIN SHOWMAN 338 X COLEMAN DONNA 720

RECIP LLB 253A // CAA# 1765398 - DUE FEB. 2, 2023 - UNSEXED

SCHIEFELBEIN ATTRACTIVE 4565 | S A V RENOWN 3439
SCHIEFELBEIN SHOWMAN 338 | **COLEMAN DONNA 720**
FROSTY ELBA 3745 | COLEMANN DONNA 439

A full sister to one of the up and coming, hottest sires in the breed right now would be 720 as she is Coleman Glacier 041 big sister. Donna is just that! She's a Donna! Huge barreled, wide pinned with a level udder with perfect teat size. 720 is proud fronted and travels around like she owns the place always. We think her mating to the Showman, one of the hottest Canadian sires the last two years will click really well when you add in his length of spine, lower quarter and bone mass. The Showman sons have been extremely marketable the past two springs and as the daughters reach production, more and more people are raging about this sire whose semen has reached up to \$1850 per dose. We recommend Donna 720 with the utmost amount of confidence!

Lot 42 Recip: With 7 registered progeny and not missing a beat, this proven female is a quality Red Angus female acquired from the good people of LLB Angus. The package of cows we got there last fall are very strong and 253A is another example of that.

O C C ECHELON 857E | S A V BISMARCK 5682
O C C LEGACY 839L | MTC ABIGALE 7178
O C C DIXIE ERICA 960E | S A V ABIGALE 9144

MTC Abigale 7178 is a female that's easy to fall in love with at all different stages. She's got added frame, length and power all while remaining elegant about her head and neck. She's fundamentally sound and checks a lot of boxes when it comes to a female you would want to replicate. 7178 is a direct Bismarck daughter mothered by a powerful Net Worth female and we feel she is as pretty as you can make a brood cow. The mating to Legacy will be extremely nice as we feel his qualities add in more pieces to the deep bag of puzzle pieces 7178 already has. The legacy cattle have been consistently moderate framed, easy fleshing and good looking and we feel this mating could click extremely well.

Lot 43 Recip: This black commercial female has been a good producer for us and raised a strong Ledger x T87 bull that sold last fall to Mike Leblanc. Stuck here again for an early February calf that is sure to be an exciting cross.

BROOKING EMERALD 9179 | **LINZ LADY CHARM 62137-9916**
BROOKING BEAUTY 6051 | LINZ LADY INNOVATION 62137

This Southern Charm donor female came from the great Linz Heritage Angus farm in Indiana where she was selected on her outcross pedigree, balanced traits and rich maternal history filled with some big production type cows all while having ideal phenotype. 9916 is an extremely well balanced female from front to back with a soft, easy doing look. The combination of Lady Charm with Emerald will result in extremely high quality progeny as both his sire, Renovation and his dam, Beauty 6051 are some of the most sought after individuals in the beef industry today.

Lot 44 Recip: Just check out our comments on lots 38 - 40 on how good we think the Packett females are and how impressive their program is. We annually buy the best bull in this industry for them and it has resulted in one of the best sets of cows you'll ever find anywhere in the commercial or papered sectors.

S A V JESSE JAMES 0968 | LADY OF PEAK DOT 402U
S A V BLACKCAP MAY 8961 | LADY OF PEAK DOT 431R

What a special pedigree Jesse James boasts being a Renovation out of a full sister to the legendary 4136, and she herself is on her own road to stardom. Jesse James is the powerful, performance driven sire that's structurally driven and we feel his mating to Lady 402U should result in performance orientated progeny. 402U is well constructed, powerful from every angle with a very good udder. She hails from the largest cow family at Peak Dot and goes back to 782L, the most influential cow in Peak Dot history. Here's a really cool opportunity on new genetics matched with proven ones.

SIRE OF LOT 45 RESULTING CALF - JESSE JAMES

Lot 45 Recip: 19E was acquired from LLB and she produced 2 bulls through their bull sale and one sold to the Chittick program, located north of Edmonton. Her third calf was a heifer going to Fernand and Diane Dargis and her calf this spring under our watch was a heifer calf that we retained. 19E is 4/4 and feel she is a strong, productive cow in the prime of her life.

WOODHILL REVIVAL H028 | **PEAK DOT PRISCILLA 239A**
WOODHILL EVERGREEN A43-F039 | PRISCILLA OF PEAK DOT 695X

Priscilla 239A is a true beef cow that you would love to duplicate and have hundreds of. She's level topped, huge ribbed, deep bodied with a great udder and sound set of feet n legs. Revival was selected along side Belvin Angus for his calving ease traits that complimented his smooth, easy travelling attractive phenotype. We firmly believe Revivals balanced EPD profile along with stunning body type will just add value to the big bodied, high performing Priscilla 239A.

Lot 46 Recip: A coming three year old that did a nice job raising a heifer calf this summer. We bought a pack of heifers from Westman last fall and Westman is known for investing in top genetics from leading producers in Canada.

BROOKING EMERALD 9179 | PEAK DOT HEATHER 541B
BROOKING BEAUTY 6051 | HEATHER OF PEAK DOT 850X

Lot 47 Recip: Another one of the Westman black commercial females that is coming 3 years old and will surely raise a big heavy ET calf for you in the summer of 2023.

Lot 48 Recip: A coming 4-year-old black commercial female acquired from Whittemore and these cattle have worked well for us. They are good production cattle from a good ranching family.

Lot 49 Recip: Here is a Whitlock x South Dakota x Final Answer combo that is a coming 3-year-old and has years of ROI ahead. Cool pedigree and carrying a really neat embryo that we think is going to be awesome in so many ways.

One of the Peak Dot donors we were very excited to flush as she is a big time producer that has raised many feature bulls in sales past. The multiple sires used successfully on this great donor speaks to her breeding potential and we think both sires represented here will work very well. The \$94,500 Emerald who will only add to her maternal greatness and inject his depth of rib and unmatched presence. Emerald is one of the great up and coming bulls in the industry and we think he will absolutely click with the impressive 541B donor.

RED U2 GENESIS I03G X RED SIX MILE SHAWNEE 388H

RECIP SIMANGUS 26 // COMMERCIAL - DUE JAN. 21, 2023 - SEXED MALE

RED HOWE MAGNUM I69W | RED BIEBER HARD DRIVE D133
RED U2 GENESIS I03G | **RED SIX MILE SHAWNEE 388H**
RED U-2 LAKOTA 54B | RED SIX MILE MS SHAWNEE 335D

The Genesis progeny have certainly went above and beyond expectation after this second calf crop. His sons were so well received this past spring sale season where they were heavily appreciated for their calving ease, grow, foot quality as well as complexion. Add this onto the beautiful, dark, hairy Shawnee 388H donor and we think the mating could be very special. 388 is an attractive female that's hard to fault at any angle. Her added extension, appeal and balance are what attracted her to us. Expect a dark, hairy calf to come easy next spring, grow into a real saleable animal and reap the rewards that follow.

Lot 50 Recip: SimAngus 26 is a coming 4-year-old from a group of high selling commercial females that we bought from the Anderson program. She is ideal in her type and the right kind to provide ROI.
