## CATALOGUE ORDER IS SALE ORDER

## DEVELOPMENT & DELIVERY

We will continue to develop your newly purchased herd sire(s) for you at no cost. All we ask is that you insure your purchase for the duration that he is being developed. The bulls staying until spring will be semen checked and delivered to you in April/May or as loads develop for your area. For anyone wanting to develop their own bulls, a rebate of \$250 per bull will be subtracted from the purchase price. This applies to any bulls taken sale day or delivered within seven days of the sale.

## SEMEN TESTING

Each bull in the sale has been palpated, scrotal measured and vet inspected twice prior to sale. Once in the spring prior to going to grass and once again just before cataloging. None of the bulls have been semen tested. Before delivery in the spring, we will semen test and guarantee every bull to pass and be fit for breeding. We highly recommend that if your turn out date is mid-summer, to have your bulls semen checked within 30 days of turn out. Any bulls that are picked up or delivered within 7 days of the sale will need to be semen checked by the purchaser. A replacement bull or credit will be issued for bulls incapable of settling cows. The credit can be used at any sale, on any class of cattle or breed. At no point shall the compensation be greater than the purchase price.

## ONLINE BIDDING

Watch and bid on-line at DLMS.ca, (Mark Shologan, 780-699-5082) If you're planning to bid on-line, please feel free to contact the sale staff or Darren as we are pleased to help select a bull(s) that will fit into your program. It is our utmost priority to ensure you secure the correct bull for the system and role you plan to use him in.

# MOOSE CREEK

TWO-YEAR-OLD BULL SALE

1:30PM • THURSDAY, FEBRUARY 15, 2024

*at Moose Creek Red Angus*

3 MILES SOUTH & 1 MILE EAST OF KISBEY, SASKATCHEWAN

*Welcome to the 2024 Edition of the Moose Creek Red Angus 2-Year-Old Bull Sale. We are proud to offer a product that represents our principles, direction and breeding philosophies.*

*No need writing too much about the fall run and the yearling market that we all observed. It was a great time to be in the cattle business and an equally or better time to be in the cow business. Producers got rewarded for their perseverance, dedication and drive to not only stay in the cow/calf business but maintain or expand their operations. It was a great Fall.*

*We were blessed with a wet August, September and October so fall growth was terrific and so were the gains. Cattle came home in better shape than usual and continued on with those rates of gain once introduced to feed. The warm, wet fall and very mild winter has been a blessing as the feed piles weren't record size so many are stretching their rations successfully. The only downfall is the shape of the pens; wet, ruts and embarrassingly, the dirtiest set of bulls we've ever offered. Please look past the tag and mud on them as it was impossible to keep them clean, dry and content.*

*One important lesson we've remembered when markets are good: don't forget the things that got you through the tough years. We still feed our cows modestly, graze as long as possible, cull rigorously and keep the same responsible approach to bull development. Our customer base relies on us to breed and develop cattle in their best interest. That great honour is not lost on us.*

*If you've never attended our sales before, we welcome you to. As a guest, potential buyer or an old friend; you'll find like-minded commercial cattlemen and women that sell their cattle by the pound, appreciate straight talk and enjoy good company and laughs. It's a lower-pressure event, we tell some great jokes and tell some bad stories – or is it the other way around? Either way, we'd love to host you and your family.*

*All the best in 2024, it's shaping up to be another fun year.*

# GLOSSARY

## DETAILING TERMS USED IN THE CATALOGUE

*The data we supply in the catalogue is actual, relevant numbers to help you make important selection and breeding decisions. These numbers include actual performance data taken at the stages of development that are critical to commercial operations: birth, weaning, and coming off of summer pasture. Current weights offer additional comparison tools.*

CALVING EASE SCORE	EXPLANATION OF SCORE	PREFERRED FEMALE TYPE/AGE
*	Least calving ease	Mature Cows/Large Framed
**	Minimal difficulty expected	Cows/2nd calvers
***	No difficulty expected	Well developed heifers under supervision
****	Tremendous calving ease	Heifers of all sizes in minimal supervision
*****	Exceptional calving ease	All classes with no supervision

# TERMS & CONDITIONS

**CONDITIONS & GUARANTEES:** All entries sell with a responsible breeder's guarantee of satisfaction. In the unlikely event of any dispute whatsoever, regular terms & conditions shall apply in accordance with the Canadian Angus Association Code of Ethics.

**ALL CATTLE ARE SOLD** subject to tests as required for export under Regulations of the Health of Animals Branch, Department of Agriculture for Canada. Export health chart and brokerage charges are the responsibility of the purchaser.

**TERMS OF PAYMENT:** Cash or cheque payable to the clerk of sale on sale day. U.S. Funds will be accepted at the current Rate of Exchange on sale day.

**INSURANCE:** Ownership risk to purchaser commences when auctioneer's hammer falls. Full mortality insurance is available sale day. Cattle returning to Moose Creek Red Angus after the sale

must be insured.

**HOLDING & SHIPPING:** Approximately one week is required for export transfers and other documents to be processed. Export animals will be held at the Sale location at no charge and under excellent care. Joint export shipping arrangements to obtain minimal shipping cost will gladly be made if instructions to that effect are provided to Clerk of Sale at time of settlements.

**TRUCKING:** Free delivery will be available for any bulls selling for \$5,000 or more. Bulls selling for less will be delivered at cost, except if multiple lots are purchased, delivery is free. Delivery will begin mid April, anyone requiring their bull for May turnout will have them delivered in April. Most deliveries will be to your yard, however some may be to central locations due to size and time. If the truck is headed past your yard, expect your bull to

be on it. Anyone taking advantage of the delivery option must insure their bull, no exceptions.

**HAUL YOUR OWN:** Bring your trailer sale day and receive a \$250 discount per bull.

**OWNERS:** Reserve the right to withhold from export shipment animals for whom Buyer or Buyer's agent have not made arrangements for payment in full, or other satisfactory arrangements, prior to time of export departure.

**ALL PERSONS** who attend the sale do so at their own risk, and the owners and sale staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.

**VOLUME PURCHASES** Any buyer purchasing three or more bulls of any breed will receive 5% off of the purchase price total. This can be used with the "haul your own" discount.
