

High Cattle Company
online bull sale

MARCH 25-26, 2024
AIRDRIE, ALBERTA

DLMS FARM GATE
WWW.FARMGATETIMEDACTIONS.CA

Greetings from Bohrson Marketing!

We are excited to work alongside the High family for their inaugural bull sale, hosted online with Farm Gate Timed Auctions via DLMS. We at Bohrson Marketing have had a close working relationship with the High's for many years and wish to welcome you to their 2024 bull sale.

The High family have been in the Limousin breed since 1974 and have done a great job building around sound, functional cattle with an emphasis on performance, longevity and calving ease. They have recently expanded into the Angus breed and have used the same fundamental values to produce this cow herd. As you analyze this set of bulls on offer you will find many performance and calving ease orientated options of both breeds and they gear these bulls to work for the commercial cattleman. We invite you out to the High Farm anytime prior to their March 26th close out to view the bulls and to visit with Chase and Darren about the bulls and their program. If any of us listed from BMS can assist you in your purchases, feel free to utilize our consultation services provided to you.

Best Regards,

The Bohrson Marketing Team

DIRECTIONS TO THE FARM

2 miles north of Airdrie on Range Road 293 and 3 miles east on township road 280. North side of the road.

BULL DEVELOPMENT

Bulls are developed on a pail fed pellet from Bullseye feeds alongside silage in a pen with adequate space and shelter.

DELIVERY AND BOARDING

Bulls will be delivered free of charge within 300 km of the ranch. Delivery will be made the convenience of High Cattle Company and the buyers risk. Arrangements can be made to other destinations. Purchases can be kept at High Cattle Company at no charge until April 15, 2024. A boarding fee of \$4.00 per day will apply after that date.

PURCHASER RISK

All bulls become the risk of the purchaser at the close of the sale and must be insured if they are being left at the farm.

BREEDERS GUARANTEE

Cattle sell according to the Canadian Limousin Associations breeders guarantee.

INSURANCE

- Kolton Kasur Canadian Farm Insurance
780-387-8376

VIDEOS TO VIEW

Videos will be post to view mid March on DLMS.ca.

DLMS FARM GATE AUCTIONS

This sale closes racehorse style with extended bidding after 7 p.m.

Racehorse style sale close is when the entire sale stays open in extended bidding. Stay close to the computer and follow the clock to see how much time remains in the sale lot you're interested in until extended bidding is finished

SITE UNSEEN

If you are unable to view the bulls in person, contact Darren, Chase or the BMS Staff. They will go over the bulls with you and recommend the ones that suit your needs. Bulls bought site unseen are guaranteed to meet your approval when delivered.

HERD HEALTH

All cattle are on a full her health program developed with our veterinarian.

ACCIDENTS

Although every precaution will be taken, neither sales management nor High Cattle Company assume any responsibility in this matter and disclaims any liability, legal or otherwise in the event of accident or loss of property.

IN-HERD SEMEN COLLECTION

High Cattle Company reserves the right to collect semen on any bull sold. This will be at the purchasers convenience and sellers cost.

Please scan the QR code below.

welcome to High Cattle Company!

Welcome to the inaugural High Cattle Company Bull Sale. We are a family run cow calf operation striving to produce quality seedstock for over fifty years. We first entered into the limousin breed in 1974 and have continued with the breed ever since. We appreciate the limousin breed for their sound structure, muscle shape and longevity. We delved into angus when we were trying to create replacement females for our

commercial herd. We acquired a number of purebred females from LLB Angus to build replacements with. When we started running low on angus females, we began artificially inseminating to top angus sires and the resulting calves were too good to not register, thus we started our angus herd.

As a breeder we strive to produce cattle that will work for the commercial cattleman, by

adding pounds, longevity along with excellent feet, udders and temperament. We utilize an embryo transplant and artificial insemination program to stay on top of current genetics and create desirable cattle.

We invite you to stop by the ranch anytime to view the offering and are honoured to have your interest in our program.

- the High's

HIGH'S LUX ET

HGH 263L | 93% | CPM4121118 | Homo Polled (P-3) | Red | 06/02/2023

Here is a bull with a truly special pedigree. Starts off with the great Ivy's Xpect the best who had an excellent show career. Was the dam of Ivy's Marksman who was utilized as a herdbull at Richmond Ranch for many years. Wulfs Handiwork was one of the High sellers out the 2021 Wulf Cattle sale. His first daughters are milking and have tidy udders with excellent milk.

Lux is Top 1% for WW, YW & Milk. You will appreciate this bull from front to back with his nice head, smooth shoulder, long body and great muscle expression.
