RED & BLACK ANGUS

Trendsetter Bull & Select Replacement Heifer Sale

MARCH 23, 2024

AT THE RANCH

HAND HILLS LAKE | 20 MINUTES SW OF HANNA , ALBERTA

Welcome to the 2024 Shiloh Cattle Company "Trendsetter" Bull & Replacement Heifer Sale.

We have reached several milestones here at the ranch in the past year. This will be our 10th annual bull sale here at the Ranch and our 15th year breeding Angus cattle. As well, it has been 115 years since the ranch was Homesteaded back in 1909. We welcome you to join us sale day, March 23rd, to help us celebrate these achievements. With a multitude of choices out there, we sincerely appreciate your consideration on purchasing your next Herd Sire or Replacement Heifer(s) here at Shiloh Cattle Company. Your confidence in our breeding program means great deal to us.

Our offering this year expresses, beyond a doubt, what we have been striving for in our breeding program. Exceptionally honest Angus cattle that can perform under drought and hard grass conditions. They are sound of foot and easy fleshing, while still maintaining the calving ease and maternal traits the Angus breed is renowned for.

We believe a balanced feed ration reflects in the longevity of our cattle. Calves are expected to develop naturally alongside their Dams. We do not creep feed. Once weaned, our sale bull and replacement heifer pens are fed a Hay/Green Feed/Pea Straw mix. As well, We feed a 14% protein pellet supplied by Country Junction Feeds. Our programs ration is based on 1% of body weight, promoting a natural and healthy rate of development.

The entire Purebred and Commercial herds are also on the Sweetpro Mineral Supplement Program (SMSP). Sweetpro is a whole herd health program. Their products promote a healthier hoof and rumen and boosts fertility for faster breed back and higher conception rates. We have noticed all of these benefits in our cow herd since implementing the Sweetpro product line.

Sale Day is Saturday, March 23rd, at the Ranch. All of the sale bulls & heifers will be penned and on display just outside the sale barn that morning, starting at 10:00 AM. Please feel free to contact us anytime prior to sale day to come by and view the sale pens and cow herd. We would be happy to show you around.

We will also be hosting a Tailgate Party on Sunday, March 17th down at the sale pens one week prior to this year's Sale. Join us for a Bon Fire & view the sale animals on offer. Hotdogs and refreshments will be on hand.

Sale time is 12:30 PM, with Steak dinner being served between 11:00 AM -12:30 PM .

Hospitality will be on offer before and after the sale. Please plan to stay after the Sale for the Wine & Cheese and Beer & Sausage tasting social. Sponsored by Country Junction Feeds.

We look forward to seeing you there.

Rumble is an extremely long sided, well balanced bull with exceptional rib shape and stands on a solid, outstanding foot structure. He also possesses a unique outcross pedigree. He has been an eye-catching standout since the first day we saw him at six months of age and continues to impress us as he has developed and matured into a remarkable Herd Sire .

Red Shiloh Let's Rumble 54L is a dual purpose "Herd Sire Prospect" with an exceptional degree of Direct & Maternal calving ease along with an outstanding milk EPD. His impressive length, depth of rib and wide top line make this young sire worth strong consideration for your breeding program. Just like his Award Winning Dam and Sire, he has achieved multiple Championships at several prominent shows this past fall, including Champion Senior Bull Calf at Canadian Western Agribition.

Take a good look at our first offering out of this outstanding new Herd Sire. In his first calf crop, this performance driven bull has already provided us with several equally powerful replacement heifers and his sons we took out this fall placed impressively in their divisions, including 2 banners, with SCCA 20L in the final drive in the senior bull calf division at Canadian Western Agribition. Check out his daughter, Lot 39, in the sale heifer pen.

Did you ever wonder how we came up with the Bull Sale's name?

Claude Gauvin was 46 when he died suddenly on September 27, 2011. A native of Rimouski, Quebec, he had long made his home in Strathmore and had recently moved to Chestermere. Leaving his unmistakable mark on Strathmore, Claude was the co-founder and President of Trendsetter Homes which built and helped hundreds of people achieve their dreams of owning a beautiful home. He had a heart of gold. As a good friend of ours, he would come to the ranch and help with branding, moving cattle or, as a Journeyman Electrician, do electrical jobs like wiring our garage. He was our biggest supporter and always encouraged us to get better and to be brave enough to promote and improve operations. He was truly our number 1 supporter. We honoured his memory by naming our sale the Trendsetter Bull and Select Replacement Heifer Sale.

Hustler is a performance driven sire that maintains a comfortable degree of calving ease. We purchased and walked him here at the ranch for 5 year's, using him on both replacement heifers and mature cows. Although he is no longer here, we brought back his genetics in our AI program due to requests from repeat customers, and we are sure glad we did.

Here's an attractive bull out of a 9 year old cow with an extremely well balanced udder. With EPD's reflecting comfortable calving ease, he's a great choice for those larger framed heifers or second calvers. Lawman stands on an extremely correct, dark foot structure. His Dam has provided us with numerous replacement heifers and one of our strongest herd sires. Take a good look at this guy.

This Hustler son has strong maternal traits in calving ease and milk, with performance in the top 10% of breed average. We brought back these Hustler genetics specifically for these reasons. These are dual purpose bulls that work well on heifers and in your cow herd. His Maternal Grand Dam has had Elite/Premier Dam status since 2020.

The cow bull in this sire group gets his power from his Dam. He excels in weaning weight and yearling weight. A great option to put on your mature cow herd. Two of his siblings out of his Dam have gone to work at Neu Muelh Colony.

Hollywood's sire, Red DKF Racer 8E, received international recognition after dominating the Red Angus Breed during the 2018 and 2019 Show Circuit. Just like his sire, Hollywood has that length, top and rib shape you're looking for in your calf crop.

A thick made, dark haired bull that will work well on your cows or large framed heifers. Brothers have sold in the past to neighbours Big Red Ranching and Joan Horner.

SHILOH CATTLE COMPANY

In 2018 and 2019 Racer made his mark in the cattle industry as the most decorated Red Angus bull in Canada, as well as the North American Silver (2018) and Bronze Medalist (2019) in the Angus breed. His offspring are well balanced and stride out with the power and correctness of their sire, and have outstanding leg and foot structure.

SHILOH CATTLE COMPANY

Donating to the Canadian Angus Foundation provides us with an outstanding opportunity to support the Angus breed on multiple levels. We strongly believe in youth development and the preservation of history. We hope that future generations will experience the incredible sense of pride we felt the first time we toured Angus Central, and the amazing collection of written and personal history of the Angus breed that is there on display. 15% of the purchase price of Lot 39 will be donated to the Canadian Angus Foundation.

We are proud to support the Canadian Angus Foundation Future 15 Program

With **YOUR** help we will continue to
further our mission and the breed.

Since 2019 more than \$300,000
has been **INVESTED** in member
education, awards, bursaries and
youth scholarships.

\$265,000 invested in **ANGUS**
research over the last six years
leveraged an additional \$400,000
in grant funding.

\$70,000+ has been invested in
history and archives, including
the 2019 Canadian Angus history
book.

The Canadian Angus Foundation functions to preserve and expand the Angus breed for future generations through education, youth development, scientific and market research, and historical preservation and restoration. The Canadian Angus Foundation was incorporated in 1993 and is the charitable arm of the Canadian Angus Association. Donations are tax deductible.

If you are interested in giving back or learning more about this initiative,

Trendsetter Sale Replacement Heifers

Approximately 50 Open Replacement Heifers from the following consigners. All heifers will be palpated and Vet checked. HEIFER PACKAGES are to be picked up sale day unless other arrangements are made. Please contact Darcy or Blake to discuss options.

Misty Ridge Ranch Ltd.

Kelby Stevens 403-820-5518

Tenille Stevens 403-664-5184

The Stevens farm is located in the Hand Hills and they produce quality Red Angus cattle focusing on easy keeping, docile, high yielding females. Generations of genetics have been developed to ensure replacement heifers will add performance to any herd. Their Red Angus heifers are one iron. Their herd health has been Bovishield One Shot, Meloxi-cam and Ultrabac7/som at branding. Bovishield Gold FPS in February.

Neu Muehl Colony

Ted Wipf 403-820-1509

Neu Muehl Colony is in the Hand Hills near Drumheller. The Colony was founded in 2000 and has been raising quality Angus and Angus Simmental cattle ever since. This group of heifers was selected from a group of 300 heifers. Ted let Shiloh Cattle Company have first pick before selecting heifers for them selves. There will be packages of reds, blacks and red baldy heifers. These are all one iron heifers that have been under the Merck Animal Health program.

Shiloh Cattle Company

Blake Morton 403-820-4162

Darcy Olesky 403-820-1830

Shiloh is once again offering a top cut of Red Angus Heifers. These heifers are out of proven genetics that have Sisters and dams working in the Shiloh herd. These heifers have been managed under a Bovisheild Gold program. There are no brands on these quiet pail fed heifers.

Terms & Conditions

1. **TERMS:** The terms of the sale are cash or cheque payable in Canadian funds unless previous arrangements have been with individual consigners. Settlement prior to any cattle released. As soon as an animal is sold, it becomes the responsibility of the purchaser. Any animal remaining at Shiloh Cattle Company must be Insured. Livestock coverage will be available from the clerk's desk on sale day.
2. **CERTIFICATE AND REGISTRY:** Certificate of registry dually transferred will be furnished to the buyer for each registered animal after complete and full payment has been made.
3. **IDENTIFICATION:** Each animal will carry a CCIA digital frequency tag as well as a ear tag.
4. **BREEDERS GUARANTEE:** All cattle are sound and right to sell with a responsible breeder guarantee of satisfaction. In the event of an unlikely dispute, the regular terms and conditions standard with the Canadian Aberdeen Angus Association shall apply. Any complaints regarding fertility of any animal in the sale shall be directed to the breeder. No incidental expense such as feed, veterinarian charges, interest, etc., will be charged by either party. Under no circumstances shall the seller be responsible for more than the purchase price paid for the bull.
5. **ACCIDENTS:** Although every precaution will be taken to protect the safety and comfort of any who attend the sale, neither the sales management, the sponsoring association nor any owner assumes responsibility in this matter and disclaims any liability legal or otherwise, in the event of accident or loss of property.
6. **LIABILITY:** Purchasers must look to the seller for fulfillment of all guarantees and representation made hereafter.
7. **DISPUTES:** In the case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from which the auctioneer accepted the last bid.
8. **Shiloh Cattle Company** retains the right to draw owners use semen on all bulls offered in the sale. This will be done before the sale, or at the new owners convenience and at our own cost.
9. **ANNOUNCEMENTS:** Errors or omissions discovered in the catalogue will be corrected by announcement from the auction stand at sale time and such corrections will take precedents over the printed manner in this catalogue.
