Through Our Gate

We have been fortunate to have talented people come through our gates. This listing represents the individuals who have been part of our 38-year journey and helped shape Express Ranches into what it is today. We are deeply grateful for their hard work, dedication, and contributions. Express Ranches was never built by one person alone—it was built by the many hands, steadfast commitment, and lasting friendships of those who believed in our vision.

Friends & Valued Customers,

It is with heartfelt gratitude and immense pride that we invite you to join us for the dispersal of this historic herd.

This sale marks the close of the extraordinary story of Express Ranches. From the very beginning, our mission has been simple—to produce exceptional cattle while building meaningful, lasting relationships with the people who share our passion for the cattle industry. What you will find in this offering represents a lifetime of dedication, careful selection, unwavering commitment, and countless memories. It is an opportunity to carry forward the very heart of our breeding program into your own operation.

As we reach this milestone, we find ourselves reflecting on the journey that brought us here. Every accomplishment, every milestone, and every success has been shaped not only by our team, but by the incredible people who have stood beside us along the way. Express Ranches has never been just about the cattle—it has always been about the friendships, partnerships, and trust we've built together.

To every customer who has believed in our program, thank you. Thank you for placing your confidence in our genetics year after year. Thank you for your loyalty, your encouragement, your honest feedback, and for welcoming us into your operations and your lives. Your belief in Express Ranches challenged us to continually strive for excellence, and there has been no greater reward than seeing our cattle make a lasting impact in herds across the country.

While the landscape of Express Ranches is changing, the bonds we have forged across the industry will endure. The legacy of Express Ranches will live on through the cattle you have purchased, the friendships we've made, and the shared passion that has united us throughout the years.

We hope you'll join us for this historic event—not only to acquire a meaningful piece of our program, but to celebrate the memories, the milestones, and the legacy that we have built together. It has truly been an honor to be part of your journey, and we are deeply grateful that you have been part of ours.

With our sincerest appreciation and best wishes for your continued success.

The Express Ranches Family

Thank You!
