ZWT

Dear Friends,

AND FELLOW CATTLEMEN,

We are excited to welcome you to the 2026 Fully Loaded Angus Bull and Female Sale! At ZWT Ranch, we believe exceptional cattle begin with exceptional genetics. We travel across the country searching for the very best Angus genetics the industry has to offer, carefully selecting and investing in cows that will move our program and, more importantly, our customers' programs forward. This year's offering is a testament to that commitment, and we believe it represents some of the finest genetics we've assembled to date.

STACKED MATERNAL POWER.

Our female offering is built on generations of elite, proven cow families. Fertility, longevity, structural soundness, and maternal strength remain at the heart of our breeding philosophy. From daughters of influential foundation donors to exciting young females, these are the herd-building kind, designed to make a lasting impact.

BULLS BUILT TO PERFORM.

Rugged, athletic, powerful, and backed by outstanding Angus cow families, this year's bulls exemplify the ZWT type. We've placed an emphasis on combining performance, phenotype, and maternal excellence to produce herd sires that can make a difference in your operation.

OUR COMMITMENT DOESN'T END WHEN THE GAVEL FALLS.

While we're proud of the cattle we raise, we're just as proud of the people who stand behind our program. We believe in doing business the right way, standing behind our cattle, and building lasting relationships with our customers. Your success is our success, and that's a responsibility we don't take lightly.

From our family to yours, thank you for your continued trust, friendship, and support. We invite you to visit the ranch, study the offering, and join us Thursday, November 12th, for what promises to be an exciting Fully Loaded Sale!

Sale Information

TERMS & CONDITIONS

Cattle will sell under the terms and conditions as recommended by the American Angus Association, including payment upon purchase. ALL PURCHASES MUST BE PAID IN FULL PRIOR TO LOAD OUT. NO EXCEPTIONS. PAST DUE ACCOUNTS ARE SUBJECT TO A 2% MONTHLY FINANCE CHARGE AND BOARDING FEES. Health paper fees will be the buyer's responsibility on any cattle left after 30 days. Selling 2/3 interest and full possession in all bulls unless otherwise noted. Embryos and flushes sell with 50% conception guarantee.

LIABILITY

All persons who attend this sale do so at their own risk, legal or otherwise, for their safety of the behavior of the animals. The owners, sale management firm and the sale staff assume no liability for property loss or any accident that may occur.

HERD HEALTH

Cattle will be accompanied by health certificates for interstate shipment.

TRUCKING

Free trucking will be offered on all BULL PURCHASES. ZWT will coordinate this delivery to central locations such as livestock markets, etc. Trucking assistance will also be provided by Shawn Light (423) 360-1578 and Mark LeJeune (337) 526-3520

LIVESTOCK MORTALITY INSURANCE

James Bessler of Great American Insurance Group will be available to assist with mortality insurance at the buyer's option (815) 762-2641.

SUPPLEMENTAL INFORMATION

A supplemental sheet will be available sale day with sale order and update information. Announcements from auction block will take precedence over printed materials. Current EPD and genetic recessive information is available online.

SALE CIRCUIT

Thursday - ZWT; Friday - Ingram Angus;
Saturday - Deer Valley Farm; and Saturday Evening - Stonewall Ridge

Manager Notes

WELCOME FROM THE SALE MANAGER

Welcome to the ZWT Ranch "Fully Loaded" Bull & Female Sale. On behalf of Bohrson Marketing Services, it is an honour to work alongside the Mayes family and welcome you to their ranch in Crossville, Tennessee. The Mayes are some of our close friends, and our respect for them extends well beyond the outstanding cattle they raise. They are salt of the earth people whose integrity, work ethic and commitment to their customers make them a pleasure to work with.

The Mayes family are true leaders who have invested tremendous time and effort into sourcing some of the very best genetics available. Their search for excellence has brought together an exceptional collection of influential cow families, backed by a clear vision of what those genetics must accomplish. Maternal greatness is at the heart of ZWT Ranch, with an emphasis on productive, sound, long-lasting females and bulls that can consistently raise valuable offspring. They have successfully combined that foundation with the look, power and quality that command attention, always keeping production value and their customers' success firmly in mind.

The 2026 offering reflects the depth of that commitment. The female selection provides access to the heart of the ZWT program, from exciting young prospects and bred heifers to proven cows with the credentials to make a lasting impact. The daughters of Blairswest Erica 77J are a highlight, while the influence of Coleman Donna 8146, EA Rose 918, Pine Coulee Patsy A13 plus many more reinforces the maternal strength throughout the catalogue. These are cow families that have earned their reputations through production, and the opportunity to add their influence to your own herd deserves serious consideration.

The bull offering carries that same maternal backing into a strong selection of herd sire prospects. There is power, muscle and performance throughout the group, complemented by options for breeders seeking calving ease and replacement female quality. Whether you are selecting a bull to strengthen a registered program or sire a profitable set of commercial calves, the ZWT breeding philosophy remains consistent: cattle must have the quality to impress and the practical merit to work for the people who own them.

One of the greatest strengths of ZWT Ranch is the family standing behind every purchase. The Mayes truly put their customers first and go the extra mile to ensure they are happy. They understand that lasting relationships are built through honest dealings, dependable service and a sincere interest in how their cattle perform for others. That approach gives buyers every reason to feel confident doing business with this family.

We encourage you to join us on Thursday, November 12, at the ranch in Crossville for outstanding hospitality, quality cattle and a great day with fellow cattle producers. Visit with the Mayes family about their program and take the time to study this impressive offering. Our BMS team would be pleased to discuss the cattle, help identify those that best suit your breeding goals and assist with your purchases. We look forward to seeing you at ZWT Ranch.

Best regards,
The Bohrson Marketing Team

Selling Choice!

- **BIG TIME SALE FEATURES** with this pair of full sisters sired by the maternal giant SAV 004 Density 4336. Their dam is non other than Coleman Donna 8146, the record selling female in Coleman Angus history where she sold for \$375,000 for one-half interest for a \$750,000 valuation through the 2024 Your Maternal Source Sale. She has an impressive progeny production record of BR 3@92, WR 3@109 and YR 3@109.
- Coleman Donna 8146 is now deceased so this mating will never be replicated. Take advantage of this once in a lifetime opportunity.

- 5/8 SM 3/8 AN BW: 69 Adj WW: 785 Adj YW: 1285 Scrotal: 40
- A special highlight to lead off our Sim-Angus bulls! This stout made herd sire comes with a loaded pedigree. He is a maternal brother to Lot 63, the featured Sim-Angus cow and sired by the Griswold herd bull, S.A.M.
- The dam to this bull is an elite level Donna that shares common parentage with the legendary Sandeen Donna 8302, who has generated over \$2 million in progeny earnings.
- Don't miss out on a big-time opportunity to purchase this powerhouse individual.
